

No matter where you live, no matter who you are, we all have a role in hometown preparedness.

CERT—What is it?

CERT is a great way for you and your teen over 13 years of age to learn how to help your friends, family and community in times of need. This **FREE** 20 hour class provides training to people in basic disaster response skills, such as fire safety, light search and rescue, team organization and disaster medical operations. The program is a fun and informative way to learn how to be a more active member in the community and it is a great way to accumulate community service hours. CERT members can also help with non-emergency projects that help improve the safety of the community. CERT is a nationwide initiative. The events of September 11 will never be forgotten; also not forgotten is how the spirit of America was awakened that day and citizens came forth to volunteer their services.

President George W. Bush harnessed this spirit of volunteerism with the Citizen Corps program.

What role will YOU play?

NEXT CLASS:

March 11th through 13th

At Mt. Ephraim EOC (address below)

Friday starts at 7pm

Saturday and Sunday 8am to 4pm
