Parent Information Sessions on PARCC

The New Jersey Department of Education Offices of Special Education Programs, Supplemental Educational Programs, and Assessment are hosting regional PARCC (the Partnership for Assessment of Readiness for College and Careers) information sessions specially designed for parents of students with IEPs and parents of students who are English language learners. These one-hour sessions will include general information on the PARCC assessments, the purpose of statewide assessments for all students, specific information on the accommodations and accessibility features available to students, and an opportunity to ask questions.

PARCC parent information sessions will be held at the following times:

6:00 – 7:00 p.m. for parents of students with disabilities
7:30 – 8:30 p.m. for parents of English language learners
