YOU ARE INVITED TO EXPERIENCE THE NETWORKING POWER OF THE OLDEST AND LARGEST OPTICIANRY TRADE ASSOCIATION IN NORTH AMERICA

OAA's State Leadership Conference is the premier networking opportunity for the Opticianry Industry. The event provides leaders from all over North America time for direct, personal contact with industry leaders, giving those leaders the opportunity to ask meaningful questions, view and discuss the issues facing the industry, and strengthen their professional relationships.

Each year, the conference offers unique educational seminars and topic specific breakout sessions that address subjects from Stepping into Leadership and Public Speaking to Taking Responsibility and Refraction for Opticians. In addition to learning from presenters, the attendees immerse themselves in networking events to help build better synergy throughout North America. These interactive social functions are designed to help create a strong grassroots network within the industry, so that the attendees will continue to communicate and share ideas with one another long after the close of the conference.
