## PRESIDENT'S CORNER: THE CENTENNIAL VISION

*Conceptual rendering of Campsite 4 that includes lakefront views and a 300-person capacity dining room.*

A great deal of thought and effort went into the vision and planning for the Centennial Fund. We established this campaign to set the course for our camp leading up to the 100 year anniversary in 2021. Often non-profits build a particular building and when completed will start a new campaign. We envisioned a deeper picture of what camp will look like and what the future infrastructure of the camp would need to be over the next five years.

When we raise the entire Centennial fund of \$8.2 million, we want to share what Camp Allen will look like. With the \$2.4 million raised to date, several significant projects have been completed on time and on budget.

With the addition of a fourth campsite we will raise the summer camp capacity from 1,980 to over 2,700 campers. With the current demand and waiting list, we can fill Campsite 4 the first year. The dining room at Campsite 4 will overlook beautiful Lake Coffield and provides campers from all three campsites a central gathering place.

When the fund is completed, Camp Allen will have a \$2 million endowment to fund maintenance projects of \$80,000 per year. With all debts paid, the camp will save \$60,000 in annual interest. Because of the green energy projects, the utility bills which make up a large portion of the current budget will be reduced by \$4,000 per month.

The newly completed buildings have made a huge impact on our nurses in the new Health Center, and the Discovery students in their new science/outdoor education facility. The upgrades to the original hotel wings have continued on track, and half of the rooms have been completed.

If you were to drive through today, you would see new playgrounds, a much improved road, and upgrades underway at the Pavilion, one of our oldest structures. The conference center kitchen remodeling is high on our list of priorities as we talk to future donors. When meeting with our current and future donors about the Centennial Fund, the most exciting aspect is sharing our vision and ministry that impacts over 56,000 guests per year.

## MAKE YOUR MARK

If we are made in the image of generosity and we are going to be generous ultimately, why not receive the joy of giving intentionally? We invite you to participate in our Centennial Fund and help make the vision of Campsite 4 and remaining campaign projects a reality. Your support will enable Camp Allen to continue to be a safe and inspirational destination for the educational, recreational, and spiritual enrichment for all who visit.

A favorite quote of our management staff is: *"Teamwork makes the dream work"* (John C. Maxwell). It has become a motto as we serve guests, and we also believe it to be true for future growth. We encourage friends of the camp to unite with their families, churches, or companies and leave a lasting legacy at Camp Allen. For instance, St. Dunstan's Episcopal Church has recently added Camp Allen as a line item in their

church's capital campaign to fund both a cabin at Campsite 4 and scholarships for Good News campers. This community support illustrates a beautiful picture of the body of Christ working together and will be a powerful fuel in our endeavors.

We ask individuals inclined to make a contribution to consider a multi-year pledge. Committing to a multi-year pledge enables supporters to make a greater impact on the camp, provides reliable funding throughout the campaign, and encourages others to participate alongside. One-time gifts are also greatly appreciated, and can be made by mail or at [campallen.org](http://campallen.org).

If you would like to receive additional campaign information, or discuss specific projects and naming opportunities, please contact the Development office at [laurend@campallen.org](mailto:laurend@campallen.org) or **936-825-7175**.
