

---

# July 16th

---

1:30 pm at Pasadena City Hall  
1112 Southmore Ave., Pasadena, TX 77502

BUILD Health Challenge recognizes the Harris County BUILD Health Partnership as a national leader in promoting health.

Partners will host a local kick-off event for media and the public at the Healthy Living Matters (HLM) Pasadena-Community Task Force meeting. The event will offer opportunities to speak with partners and to learn first-hand about our project.

More details on back.

BUILD Partnership Members:

What is the

# BUILD HEALTH Challenge?

The BUILD Health Challenge is a national movement to build meaningful partnerships among hospitals and health systems, community-based organizations, their local health department, and other organizations to improve the overall health of local residents by changing the conditions of their community.

More information at [www.buildhealthchallenge.org](http://www.buildhealthchallenge.org)

What is the HARRIS COUNTY

# BUILD HEALTH Partnership?

Harris County is 1 of 7 communities chosen for the BUILD Health Challenge to accelerate its efforts to address obesity & food insecurity in north Pasadena by:

- Producing sustainable, local food accessible to the public through a Community Supported Agriculture campus
- Creating a food distribution system that will eliminate the current food desert
- Coordinating local programs like "Food Scholarships" and a "Fruit and Vegetable Prescription Policy (FVRx)" to increase access to healthy foods
