Sarah Hart

most recently released Above Earth's Lamentation, her eighth album as a solo artist. That collection of songs, captured with Nashville producer Paul Moak, comes during a fruitful songwriting season for Hart. Amy Grant, Celtic Woman,

Matt Maher, Jason Crabb and The Newsboys are among those who've recently recorded her songs, and Grant's recording of "Better Than a Hallelujah" (for 2010's Somewhere Down the Road album) earned Hart a Best Gospel Song Grammy nomination. She has also had several song placements in film, television, and her songs appear in hymnals all across the world. Hart continues to tour steadily, helming concerts, keynoting, speaking, leading faith-focused women's groups, musician's and parish retreats, as well as performing coast to coast and abroad. In October of 2013, Sarah was invited to perform for Pope Francis and a crowd of 150,000 in St. Peter's Square.
