

# Would you like to Feed a Hungry Child for 25 cents?

## ***How?***

***Feeding Children Everywhere*** is a unique organization with the mission to 'Empower and mobilize people to assemble healthy meals for hungry children.' The organization began in Sanford, Florida in 2010. With the help of partners like Father Lopez, they have packed 32 million meals and counting. Each meal consists of lentils, rice, and vegetables.

## ***Who?***

On Tuesday, March 22, every student at Father Lopez Catholic High School will participate in prayer, education, and meal packing.

Students have been actively involved in fundraising. Donations have been garnered from the Homeless Lock Out, St. Patrick's Day Dress Down, and the Student Government Association, to name a few. We are very close to our goal of \$16,000.00—a total of 60,000 meals. All meals will stay in the Central Florida area.
