

# Appy Pie

A new way to  
track component  
2 referrals.

CREATE APP

Make an App As Easy as Pie.

**NITT-TA**  
NOW IS  
THE TIME  TA  
CENTER  
**PROJECT  
AWARE**

# Apps

**Quick.** ←  
**Easy.**  
**Clear.**  
**User-friendly.**

# “Do It Yourself”

CREATE YOUR APP IN JUST 3 STEPS

✓ Step1  
Select Category

✓ Step2  
Build App

✓ Step3  
Publish & Promote

## No programming skills needed

**You're in total control.**

**Customizable features.**

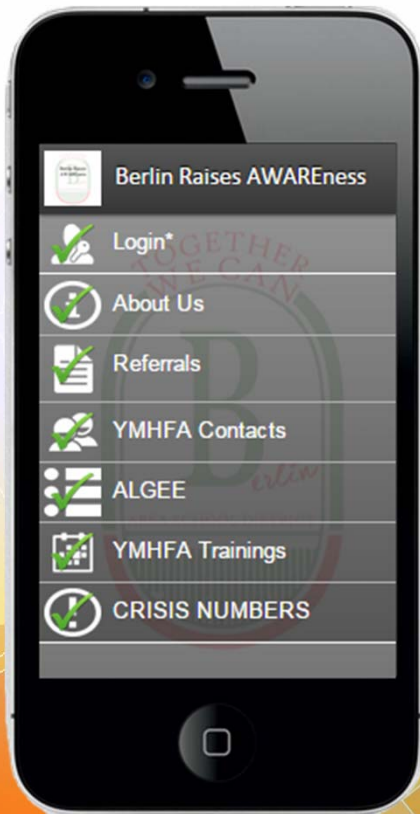

**Your content.**

**Community Needs.**

## **What can it do?**

- ✓ **Track referrals**
- ✓ **Store mental health supports**
- ✓ **Supply First Aider training**

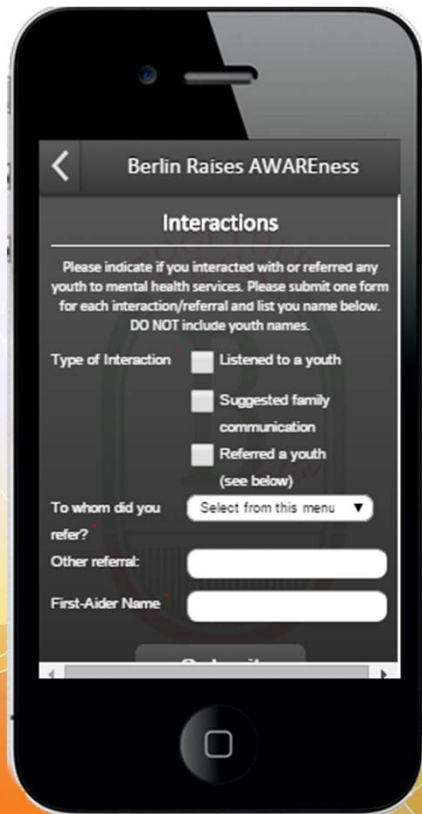

Pages that support and track  
mental health outreach

What does it look like?

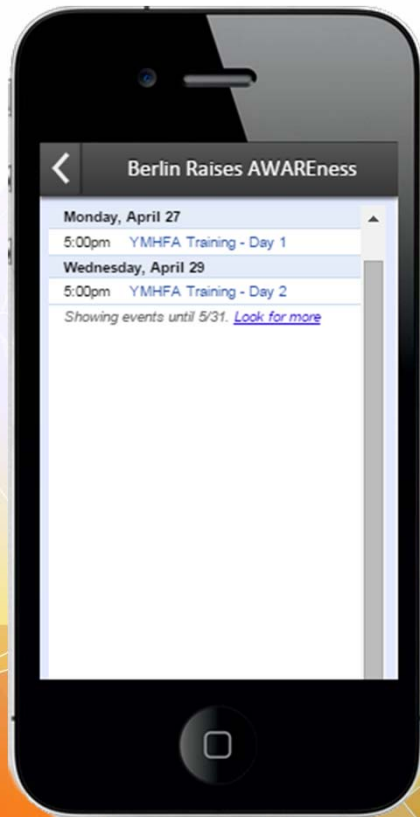

Stores crisis numbers

What does it look like?

Logs interactions and tracks referrals

What does it look like?

First Aider training and reference

What does it look like?

# Pros

---

- ✓ Reduces paperwork
- ✓ Portable library of resources
- ✓ Storage for referrals

# Challenges

- ✓ Very basic
- ✓ Potential system crashes
- ✓ Newer phones are required for use

Appy Pie has so  
much to offer!

If you have any  
questions, just let  
us know!

We would like to thank NITT AWARE-LEA grantee, Berlin Area School District in Berlin, WI, who conceptualized, designed, and implemented the original AWARE Component 2 Referral App idea.
