**For Immediate Release**

## **The Gordon Hartman Family Foundation makes donation to the Job Adventures - Project Explore program!**

Maggie & Gordon Hartman with Olivia Sturgess, President of Job Adventures

**San Antonio (December 11, 2012).** The Gordon Hartman Family Foundation generously donated to Job Adventures to help fund Project Explore. Set to launch January 2013, Project Explore will outreach to a population of youth and young adults with special needs seeking employment.

This underrepresented population requires assistance to prepare for, obtain, and maintain gainful employment. Project Explore will provide the catalyst to take this self-discovery journey into the workforce by providing employment readiness training and field career exploration with partnering San Antonio employers.

The Gordon Hartman Family Foundation supports the programs, projects, and collaborative efforts of Bexar County organizations that serve individuals with cognitive and physical disabilities. Job Adventures is grateful to receive this gracious donation that will purchase: computers, iPads, printers, software, and assistive devices necessary to equip its training room with employment readiness workstations. The workstations are to be used for job searching activities, exploring occupations, completing online applications, and resume preparation.

Olivia Sturgess, President of Job Adventures expressed her gratitude for the grant award by The Gordon Hartman Family Foundation. "We appreciate their support. We would not be able to fully launch Project Explore without having the necessary equipment. We are fortunate to be able to provide these resources to individuals with special needs," Mrs. Sturgess said.

**Open House is scheduled for January 11, 2013 from 11:00 a.m. - 2:00 p.m. at 9901 Interstate 10 West, 8<sup>th</sup> Floor San Antonio, Texas 78230**
