

**Many of us don't fit the stereotype of being "homeless" but could use support with housing and resources.**

**We are resilient. We are real.  
We are survivors. We are human. We  
are more than just a number.**

**Massachusetts is trying to better understand and meet the needs of young adults who experience housing instability.**

**IF YOU ARE UNDER 25, TAKE THE CONFIDENTIAL YOUTH COUNT SURVEY MAY 2nd-15th.**

**Data from this count will impact funding and services for young adults experiencing housing instability.**

**With strength from unity, we  
can make our voices heard.**

The Youth Count is a project of the MA Special Commission on Unaccompanied Homeless Youth.
