

Find your next employee at our Job Fair!

The Workforce Central Career Centers of Milford, Southbridge and Worcester will be holding their 6th Annual Spring Job Fair on May 13, 2016 from 12PM to 4PM at the DCU Center in Worcester. Building upon the positive hiring trends over the previous 18 months, multiple industries representing more than 120 businesses will be participating in the fair.

The event has averaged over 2,000 quality job seekers from across the Commonwealth. This year is shaping up to be our best event yet. Our three career centers in Central Massachusetts have assembled a marketing committee to target populations and conduct community outreach to jobseekers in the community via personal contacts, social media advertising and email marketing, along with advertisement of the job fair during career center business hours.

If your business is interested in registering, act quickly as space is limited! Contact your local representative below.

If your business is interested in learning more about the services available at Workforce Central, please contact your local Business Service Representative.
