an exercise studio

clothesline project

The Clothesline Project is a community-based art project that provides a safe and supportive environment for survivors of domestic violence to share their stories and connect with others who have experienced similar experiences.

Wednesday, October 3, 2018

THE CLOTHESLINE PROJECT

the clothesline project

The Clothesline Project is a national movement addressing violence against women. Community members are invited to decorate shirts with personal experiences or messages of empowerment.

DO YOU KNOW?
1 in 3
women have
experienced
physical violence
in their lifetime

The shirts will be strung along a "clothesline" as a visual representation of the shared experience within our community. As a visual reminder for survivors, Family Violence Services of JFS, Beliefnet JCB, and Cleveland Rape Crisis Center are collaborating to host the Clothesline Project in Cuyahoga County. We invite you to decorate a shirt, support the movement, and bring awareness to the services available within our community to those in need.
