PTO Officer Positions – 2015-16 School Year

There is not a full slate of candidates for officer positions for next year. At present, there are no candidates for the roles of President and Engagement Officer, and it remains undetermined whether there is a Vice President candidate. The executive committee is beginning discussions about contingencies in the event of unfilled positions, especially that of President. The PTO could use everyone's help in recruitment!

Election of officers has been postponed until the June 2 PTO meeting. If you have an interest in a leadership role in the PTO, we would love to hear from you and answer any questions you have. Current roles are posted [HERE](#) for your review. Email TCGISPTO@gmail.com and someone will get back to you promptly.

Maskenball Task Force

One result of the recent Maskenball debrief is the formation of a Maskenball Task Force, to be led by Kristi Johnson. The task force will generate a community survey about Maskenball and examine (1) the scope of the event for 2015-16 (such as simplifying and eliminating

raffles), (2) general policies for future years, and (3) PTO and school schedule timing for splitting the auction into a separate event, likely to be undertaken in the fall. The task force is being formed quickly, and the time commitment is slated to be no more than 2 hours total. Those interested in joining the group should contact Kristi Johnson (kristirjohnson@gmail.com) by **noon on Friday, May 15**.
