

U8 Soccer Team

The St Johns U 8 soccer team is currently undefeated with only two games left. The team has done a great job learning and developing their soccer skills. All the coaches are very proud of them for their hard work and dedication.

The team is led in scoring by Jacob Hernandez with 7 goals with 1 assist. His relentless attack and big leg made him almost impossible to defend.

Isabella Milliken, also led the team in scoring with 2 goals this season. Isabella is a veteran player and continues to show her dribbling skills to the opposing team with a follow through goal.

All of these offensive forwards were relentless in their attacks and their will to score.

The defense was led by Ethan Gant at the Middle Defensive Back position, Ethan was not going to allow any opposing team player to get past him. His tuff stance and his big leg made it very difficult for any team to score and only allowed two goals to be scored against him all season.

John Squires, also demonstrated great defensive play all season at the Right defensive back position and was instrumental and allowing only two goals to be scored all season.

Jeevan James, was one of the most inspirational players on this team who enjoyed every position he played by wearing the biggest smile every time he touched the ball.

Alex Walters, had a great season and attacked the ball every chance he could.

Ian Conklin , was solid at defensive back and stood his ground against the opposing offensive player stopping them dead in their tracks.

Rohan James, played a great offensive game fooling the opposing players with his size and speed.

Katheryn Sheridan, was one of the most improved players on the team. Always playing with enthusiasm and wanting to show her best at every position.

All the players did a great job this season!
