Calling all cultures and all ages to prayer for our land

For if thou altogether holdest thy peace at this time, then shall there enlargement and deliverance arise to the Jews from another place but thou and thy father's house shall be destroyed: and who knoweth whether thou art come to the kingdom for such a time as this? Esther 4:14

What is ASLPN?

African Strategic Leadership Prayer Network (ASLPN) is a non-profit Christian Charitable organization dedicated to prayer and intercession. The organization is an assembly of African Christian Leaders around the world in collaboration with like-minded believers coming together in unity and in obedience to the Word of God to release the anointing of prayer and bring people and nations back toward righteousness.

"The ASPLN is an exciting spiritual phenomenon that represents well the new things God is doing in America. The anointing of united intercession flowing in Africa and this network is needed now as we press for a new awakening to Christ in our nation. We are delighted that ASPLN is partnering with the Awakening America Alliance for . . . such a time as this."

*Dr. William (Billy) Wilson,
former Executive Director of
Awakening America Alliance.*

What ASLPN Does

ASLPN is responding to the invitation by American Church leaders to collaborate with already burdened African ministries in asking the Lord to move on behalf of America. ASLPN hosts National Prayer trainings and gatherings. You can read more about these as well and our grassroots mobilization efforts on our website aslpn.org.

The Vision is Spreading

ASLPN is partnering with leading intercessory prayer movements across the United States from city to city, county to county, state to state, until the nation is awakened to it's destiny in Jesus Christ
