MOST BLESSED SACRAMENT CATHOLIC SCHOOL STATEMENT OF PHILOSOPHY

We believe the purpose of Most Blessed Sacrament Catholic School is to pass on the faith and heritage of Catholic tradition promoting gospel values throughout the educational environment.

We strive to strengthen a partnership with parents, the primary teachers of faith and values, to develop the whole child – spiritual, moral, intellectual, social, emotional, and physical.

We seek faculty called to the teaching ministry, who share a mutual responsibility for creating an environment which promotes spiritual and academic excellence for all our students.

We strive to center our school community in Catholic doctrine, worship, prayer, service learning and current educational pedagogy in order to equip our students to become mature Christian young men and women, leaders for tomorrow's world.

We seek to teach as Jesus did, in both word and example, nurturing the unique gifts of each member of our school community as members of the body of Christ, living sacraments to the world.

Most Blessed Sacrament Catholic School Objectives

1. To provide a teaching environment in which the gospel message and Christian values are integrated into every subject area.
2. To promote academic excellence and strive to challenge each student to reach their learning potential.
3. To provide learning experiences that develop critical thinking skills and which address all domains: cognitive, affective, and psychomotor.
4. To promote a disciplined atmosphere centered in treating each individual as a child of God, fostering personal freedom and responsibility for personal decisions and actions.

Mission Statement

The mission of Most Blessed Sacrament Catholic School is to minister to the educational needs of our parish family by providing a teaching atmosphere which promotes gospel values and academic excellence for our students.

Parent's Commitment to Church and School

One of the requirements for enrollment and/or retention at Most Blessed Sacrament Catholic School is a commitment to the following agreement.

We/I therefore promise and commit:

1. The Catholic members of our family to attend mass every weekend and on Holy Days in addition to daily prayer at home.
2. Our family commits to thirty hours of time and talent to be given to the school and /or church each year. (A year is from registration to re-registration.) Time and Talent hours are required and reviewed prior to re-registration each year. Hours must be completed in order to receive the in-parish tuition rate.
3. Support to the stewardship program of the church as an Identified Offertory Giver (IOG)* and sign a new Stewardship Commitment Card each year.

*IOG - The parents or legal guardians whose use of offertory envelopes has noted their **annual** financial support of the parish in the minimum amount of **\$325.00**; (verification will be as of December 31) unless otherwise authorized by the Pastor.

Most Blessed Sacrament does not discriminate on the basis of race, color, national and ethnic origin.

Foreword

According to Admissions Requirements set down by the Diocese of Baton Rouge (Section 4.3.2), “Parents who seek a Catholic education for their child/children enter into a contractual agreement between the school and the parent/guardian and/or the rules of the school covering all areas of the student’s development as stated in the school’s philosophy. As part of the contractual agreement there are explicit (expressed) and implicit (implied) expectations placed on both parent and administration. These rules and regulations are included in the parent/student handbook and school communications.”

Catholic schools operate under contract law. The handbook is the printed contract between the parents of minor students and the school. It is required that parent/guardian and their child sign a statement that they and their child have read the handbook and have agreed to abide by the policies, rules and regulations set forth therein. By signing this statement, parents and students agree to be governed by the rules and regulations stated in the handbook. Failure to abide by the regulations and policies of the school handbook by either the student or his/her parent/guardian may result in the student’s removal from the school.

In developing the rules and policies Most Blessed Sacrament Catholic School has tried to anticipate as many circumstances and problems as possible. As new and unusual situations arise, the Administration will have the authority to use their discretion in circumstances the handbook rules do not precisely address. The Administrator also reserves the right to amend the handbook as necessary.

Most Blessed Sacrament Catholic School, having met the requirements established by the AdvancED® Accreditation Commission and Board of Trustees, is accredited by the Southern Association of Colleges and Schools Council on Accreditation and School Improvement.

Academics

Each student is expected to turn in quality work. A student who submits quality work demonstrates pride in his/her individual accomplishments. Our teachers insist on the best work from our students.

Confidentiality – All school records are confidential and will be released only to authorized persons. A release form must be signed when a child transfers into Most Blessed Sacrament Catholic School. This form enables a school to release confidential school records. All records pertaining to a child may be reviewed by parents/guardians (in the office complex) at any time. This is done by appointment.

Grading Scale

A = 100%-93%

D = 74%-67%

B = 92%-85%

F = 66% or below

C = 84%-75%

Grade Averaging for Grades 6th, 7th and 8th

For the final average, a full 67% (D or 1.0 quality point) is required for a passing grade; there will be no rounding up.

The semester grade is the average of the two nine weeks' grades taken together with the exam grade when an exam is given. The exam grade is 20% of the semester average and is shown on the report card.

The final grade is the average of the two semester grades.

Going into final exams, 8th graders who have straight A's in a subject on their report card (including mid-term exams) and no major discipline issues will be exempt from taking their final exam in that subject.

Conduct is a single grade, which will not be rounded.

Grades can be accessed via Plus Portals online and are provided in Grades 1 - 8. Parents may easily monitor these grades. Please give teachers adequate time to post grades (approximately 5 days).

High School Information – Most Blessed Sacrament Catholic School reserves the right to release student information for student recruitment to Catholic high schools in the Diocese of Baton Rouge.

Honor Roll

Honor Roll begins in the third nine weeks of Grade 3.

Nine Weeks Honor Roll – For a student to be on the honor roll, he/she must have ALL A'S AND B'S on his/her report card, including conduct. The handwriting grade is not a determining factor for honor roll. A student may have an N, but must not have any U's to be eligible.

Yearly Scholastic Award - For a student to obtain the Yearly Honor Roll Award he/she must have all A's and B's on his/her report card including conduct, for all four nine weeks and the final average. Exam grades and handwriting grade are not a determining factor.

Academic Lettering – Grades 6-8 – to letter academically, a student's semester grade point average must be at least a 3.5. Exploratory grades are not included. Semester averages and all conduct grades must be A's or B's. A student may not have any D's or F's for the nine weeks.

Grade 5 – to letter academically, a student's yearly grade point average must be at least a 3.5. Only the academic subjects of Religion, English, Spelling, Reading, Math, Social Studies and Science will be used to determine the grade point average. Final averages and all conduct grades must be A's or B's. A student may have no D's or F's for nine weeks' grades.

Homework – Homework is the individual student's responsibility. All assignments should be completed neatly and on time. Students are expected to arrive for school prepared to participate in the day's learning. Study of notes and review of material covered in class should take place daily.

Non-custodial Parents – This school abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, a school will provide the non-custodial parent with access to the academic records and to other school-related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

Retention

Upper Elementary (4-8) - A student shall not be promoted if he/she has failed two or more major subjects. (Religion, Reading, Math, Language Arts, Science or Social Studies).

Primary Grades (2-3) – A student shall not be promoted if he/she has failed two or more major subjects. (Religion, Reading, Math or Language Arts). Serious consideration will be given a child who has not achieved competence in all subject matters.

Grades Kindergarten and 1st – A student shall not be promoted if he/she fails reading.

A student who fails a subject for the second semester fails that subject for the year. Students in grades 2 - 8 who fail only one subject may be passed conditionally. The student must successfully complete approved summer remediation as designated by the administration.

The ultimate decision regarding retention or conditional promotion is determined by the principal in consultation with the teacher.

Standardized Tests – The ACT ASPIRE standardized test will be given to all students in grades 3-8 each year. The ACT ASPIRE is administered three times a year with interim tests administered online in September and May and Summative testing administered via paper/pencil in November. Summative test results will be sent home. Standardized tests scores become part of a student's academic portfolio.

Administrative Procedures

Administrative procedures are established to meet the needs of students and to facilitate practices and procedures that coordinate all facets of support to the school. These procedures will be subject to continuous review and may be changed at any time.

Parents will be informed of a student's progress through work papers and tests that are routinely sent home in grades K-5. Progress reports will be issued to all students at each mid-nine week marking period via Plus Portals. Reports cards will be issued to all students at the end of 1st, 2nd and 3rd nine weeks via Plus Portals. The 4th nine week/final report card will be issued via print.

The school will issue assignment pads to students in grades 2-8. They are to be treated as issued textbooks. Parents should check assignments on a regular basis. It is the child's responsibility to keep his/her parents informed of school progress by notes, work papers, tests and progress reports. Students in grades 1– 8 will have grades available online. Parents are encouraged to review them on a regular basis.

Appointments with teachers may be scheduled by request through written notes or e-mail. Parents requesting a conference with the principal or assistant principal may do so via e-mail or by calling the school office for an appointment.

Attendance

Absences

When a student is absent from school a parent is asked to e-mail the school office at mbsabsent@mbsbr.org or call the school office before 9am to verify the absence. When the student returns to school, he/she must present to the teacher a written excuse from a parent/physician. Acceptable excused absences include: illness, death in the family, impassable roads, and emergency situations or at the discretion of the administration.

According to Bulletin 741, a student who is absent more than 20 days may not be promoted or may be required to attend summer remediation. This is at the discretion of administration.

A student must be in attendance over half of the day to be counted present for that day. A half day of attendance is awarded when a student checks in prior to 11:15am or checks out by 11:15am.

Refer to the Athletic Handbook for procedures concerning absences of a student athlete.

Absentee Assignments

The procedure for obtaining assignments is included in the classroom discipline plan sent home at the beginning of the school year.

If a student has an extended illness, a parent may request that the office gather books to be picked up by the parent. Parents making this request need to call the school office by **12pm**. Books may be picked up between 3:00pm - 3:30pm.

If a student is absent for an extended period, arrangements are to be made with the teacher(s) to make up any missed assignments and/or tests.

A student who is absent for one day and misses scheduled tests will be required to take the test the day they return.

Vacations

Students who are absent due to a scheduled vacation will receive unexcused absences. Please clear these absences with administration. Students must return from vacation with all of their completed assignments and prepared for any missed tests.

Teachers will not prepare special plans in advance for these absences. The school calendar is available in August so vacations can be planned around school holidays.

Tardiness and Early Checkouts

If a student arrives at school after 7:50am, a parent must sign them in at the school office. Tardiness will be indicated by the “TARDY” sign in the front office. Students will be given a tardy slip from the office staff before reporting to class. Students will report directly to the class that is scheduled at their time of arrival. They will visit lockers at their next designated locker time. The latest time to check out a student in the afternoon is 2:15pm.

Tardiness and early checkouts jeopardize the quality of a student’s school day. Students with chronic tardiness or early dismissals will be contacted by the administration. A student who accumulates five or more tardies and/or early checkouts will not be eligible to receive a perfect attendance certificate at the end of the year.

Eight tardies are equivalent to one unexcused absence.

Early dismissal will be granted for the same reasons that are allowed for excused absences. Please try to schedule doctor or dentist appointments after school hours. If a student must leave because of illness or other emergency, he/she must be signed out.

Students leaving the school for any reason must be signed out at the school office. Students are not permitted to leave the school grounds at any time during the school day without permission from the office.

All students are expected to leave the school grounds in the same manner that the office records indicate that they are to arrive unless they have written permission from a parent.

Backpacks

Due to storage, rolling backpacks can be no larger than 20 inches by 15 inches, including side pockets. We discourage excessive side pockets. Backpacks are to be conservative in design. Backpacks may not be carried between classes because of congestion on the sidewalk. Students have ample time to get to their lockers during the day. The backpack must have a retractable handle and shoulder straps. For the safety of the student, they must have their backpacks on their back before they enter the bus or carpool loading area. Students who choose not to follow the safety rules will not be allowed to continue to bring this type of bag to school.

Before and After School

The school is not responsible for students on campus before 7:25am or after 3:10pm, except for those students enrolled in the extended care program or scheduled activities. After school hours, parents and/or students are not allowed in the classrooms to get forgotten items, such as books or clothing. The maintenance staff is not allowed to open the facility.

Cafeteria

Parents are welcome to eat in the cafeteria. Siblings may accompany parents to lunch. Cafeteria meals must be pre-paid. Please keep cafeteria balances current.

Code of Christian Conduct Covering Students and Parents/Guardians

The students' interest in receiving a quality, morally based education can be served if students, parents/guardians, and school officials work together. Normally, differences between these individuals can be resolved. In instances, however, the school may find it necessary, in its discretion, to require parent/guardian to withdraw his/her child. It shall be an express condition of enrollment that students who are registered into Most Blessed Sacrament Catholic School and their families behave in a manner both on and off campus that is consistent with the Christian principles of the school as determined by the school in its discretion. These principles include, but are not limited to, any policies, principles or procedures set forth in any student/parent handbook of Most Blessed Sacrament Catholic School.

Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral and behavioral expectations of this school system.

Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.

These expectations for students and parents/guardians include, but are not limited to, all school sponsored programs and events (e.g., athletics, conventions, field trips, etc.) The school reserves the right to determine, in its discretion, which action falls short of meeting the Christian principles of Most Blessed Sacrament Catholic School. Failure to follow these principles will normally result in a verbal or written warning to the student and/or parent/guardian. Should questionable behavior continue, further actions will be taken (e.g., suspension of student, withdrawal of the student, or suspension of parent/guardian's privilege to come on the campus grounds and/or participate in school activities, volunteer work, etc.). Most Blessed Sacrament Catholic School reserves the right to determine, in its discretion, when conduct is of such a severe nature as to warrant immediate action without a warning and/or without an intermediate step short of withdrawal.

Communication

Communicating with parents helps to create positive partnerships between home and school. It is vital that parents are kept informed so that they can support the school and participate fully in their child's education. Most Blessed Sacrament Catholic School will communicate with families via e-mail, the school website (www.mbsbr.org), weekly newsletter (The Pelican Express) and by a weekly One Call Now message.

No student is allowed to use any telephone on campus without permission from school personnel in authority.

Anyone needing to get messages to students must contact the school office by 2:00pm. Messages should be limited to dismissal changes or emergencies. All announcements will be made prior to dismissal.

E-mail is the best way to communicate with teachers and administration. If contacting teachers by phone, they will be given a message. Please allow 24 hours for a response. If contacting on a Friday, teachers will respond by the following Monday.

In cases of emergency, Most Blessed Sacrament Catholic School will communicate via text, e-mail and/or One Call Now.

Conduct and Discipline

The conduct and discipline policy of Most Blessed Sacrament Catholic School promotes an atmosphere that is centered around treating each individual as a child of God, fostering personal freedom and responsibility for personal decisions and actions. The purpose of all disciplinary actions is to mold future behavior and to teach the students appropriate behavior that is in compliance with rules and regulations.

A student must conduct himself/herself on campus, off campus, traveling to and from school and on and off the field or court in a manner consistent with his/her status as a member of the Catholic school community. Students have a responsibility to dress appropriately and appear on school campus according to standards of modesty, safety, and health as prescribed by the local school council.

The school reserves the right to discipline students for conduct that is detrimental to the reputation of the school, whether inside or outside school.

Bullying Policy

Most Blessed Sacrament Catholic School believes that all students have the right to a safe and healthy school environment. Behavior that infringes on the safety and well-being of any student will not be tolerated. Bullying is a form of harassment and is prohibited. Bullying can be direct or indirect, blatant or subtle; and it involves an **imbalance of power, repeated actions, and intentional, targeted behavior**. Not all incidences of misbehavior towards a fellow classmate are incidents of bullying. Bullying includes:

- Direct physical contact, such as hitting, shoving, damaging property
- Repeated, verbal assaults, including name calling, threatening, teasing, spreading rumors
- Use of electronic methods, such as posting negative images or insults on social media
- Social isolation and/or manipulation, including repeatedly excluding from activities

Bullying is harmful to everyone involved - victims, bystanders, and perpetrators - as well as the learning environment as a whole. This policy applies to students on school grounds, on school buses, or during school-sponsored activities.

Students, staff, and parents are expected to report bullying incidents immediately. Each complaint will be promptly investigated. Disciplinary action will be taken following each confirmed incident of bullying. Disciplinary action may include, but is not limited to, loss of privilege, reassignment of seats in classroom/cafeteria/bus, detention, suspension, or expulsion. Criminal conduct will be reported to law enforcement. If necessary, counseling and other interventions will also be provided.

Reporting incidents of bullying can be either informal or formal - verbal or written. A Bullying Report Form is available to all students, staff, and parents for this purpose. This form can be found on the school website. A verbal report received by staff can be recorded on a Bullying Report Form. An informal report is one of general concern; no names or evidence is available. A formal report is a complaint that requires a full investigative process. Once a report is received, the following process will occur:

- Investigation - including interviewing of alleged perpetrator(s) and victim(s), identified witnesses, teachers, and staff members - all separately and confidentially. Physical evidence will be reviewed, if available.
- Notification - Parents will be notified of the investigation. Parents will be notified when a student is interviewed and may be interviewed themselves by staff conducting the investigation.
- Discipline - Incidents of bullying will be handled according to severity of actions. Repeated offenses will be addressed with incremental consequences, as listed above. Depending on the severity of bullying a student can be suspended or expelled.
- Follow Up - Involved parties will be notified whether incident was confirmed and that action was taken. In consideration of all parties. The disciplinary action or intervention taken will always remain confidential.
- Documentation - Written documentation will be placed in the records of the victim and perpetrator.
- Repeat, as necessary

Staff must be notified of each incident of bullying. Without notification, nothing can be done, nothing will improve.

Courtesy and Good Manners

Students should be encouraged to:

- Perform acts of courtesy and display good manners as a matter of habit by saying “please” and “thank you”, holding open the door for others, etc.
- Manifest a reverent attitude during the time of prayer in school and in church by correct posture, silence, recollection, and avoid anything that will distract those at prayer.
- Show respect for themselves and others

Classroom Discipline Plan - Students and parents will be notified of classroom rules, consequences and procedures at the beginning of the school year. This plan will be posted in the classroom and provided to families. Please refer to the Discipline Plan sent home with your child during the first week of school.

School-wide Discipline Plan - Just as each teacher has classroom expectations, there are expectations outside of the classroom; therefore, a school-wide discipline plan has been developed.

Discipline

Most Blessed Sacrament Catholic School has four categories of discipline. Acts of irresponsibility are not considered misbehavior but students are expected to be responsible and accountable.

Therefore, consequences should reflect the severity of the behavior.

Category A - Failure to fulfill one's responsibilities as a student

- Includes repeatedly forgetting class materials, not completing homework, not returning signed paperwork, violating the dress code, uncovered textbooks, etc.
- Grade K - Movement of clip down 1 level - Students can also have clips raised if behavior improves throughout the day
- Grades 1-5 – Movement of clip down 1 level - Students can also have clips raised if behavior improves throughout the day
- Grades 6-8 - Results in service to the school (wiping cafeteria tables, cleaning up litter around the school, etc.)
- Handled by classroom teacher

Category B - Minor or one-time offense

- Includes chewing gum, eating in class, sleeping in class, talking, annoying fellow students etc. or repeated offenses from Category A
- Grade K – Movement of clip down 1 level - Students can also have clips raised if behavior improves throughout the day
- Grades 1-5 – Movement of clip down 1 level - (1 conduct point will be deducted for each level clip is lowered - a maximum of 3 points can be deducted at the end of the day) - Students can also have clips raised if behavior improves throughout the day
- Grades 6-8 - Results in deduction of 1 conduct point
- Handled by classroom teacher

Category C - More serious or repeated offense

- Includes repetition of Category B offense, disrupting class, using inappropriate language, physical harm, cell phone infractions, e-reader infractions, possession of inappropriate items or substances, technology infractions, bus infractions, etc.

- Grade K - Movement of clip down 2 levels and can result in detention or suspension. Students can also have clips raised if behavior improves throughout the day
- Grades 1-5 – Movement of clip down 2 levels and can result in detention or suspension - (1 conduct point will be deducted for each level clip is lowered - a maximum of 3 points can be deducted at the end of the day) - Students can also have clips raised if behavior improves throughout the day
- Grades 6-8 -Results in deduction of 3 conduct points and may result in visiting administration, detention or suspension
- Handled by classroom teacher and/or administrator (depending on individual situation)

Category D - Major offense

- Includes academic dishonesty, cheating, bullying, physical harm, disobedience, disrespect, theft, cell phone infractions, e-reader infractions, major technology infractions, major bus infractions, use of inappropriate items or substances, etc.
- Grades K - Movement of clip to lowest level, repeated days may result in visiting the administration and may result in an accelerated discipline plan, detention, suspension or expulsion – Students can also have clips raised if behavior improves throughout the day
- Grades 1-5 – Movement of clip to lowest level, repeated days may result in visiting the administration and may result in an accelerated discipline plan, detention, suspension or expulsion - (1 conduct point will be deducted for each level clip is lowered - a maximum of 3 points can be deducted at the end of the day) - Students can also have clips raised if behavior improves throughout the day.
- Grades 6-8 - Results in conduct grade being lowered by 5 points and placed on an accelerated discipline plan, detention, suspension, expulsion.
- Handled by administration

An accumulation of detentions during a 9-week period may lead to a suspension. Suspensions will be served at home. The student is responsible for the completion of all assignments while suspended. Failure to return with completed work may result in an additional consequence. The length of suspension is to be determined by the administration and will reflect the behavior.

For very serious reasons, a student may be expelled after a single violation.

Blatant cheating will result in a zero for the assignment and a consequence to be determined by the administration.

Academic dishonesty, which includes plagiarism, will be addressed and appropriate consequences will be issued. Plagiarism may result in a zero for the assignment.

Cell phones should not be brought to school. If a cell phone is seen, chimes during the day, or is used during the day, the phone will be confiscated and will remain at school for a length of time determined by the administration. Phones will be released only to parents and students will be issued a consequence.

Students in grades 6-8 may bring an e-reader to school for use during silent reading times. The wireless capability of the e-reader must be disabled. The e-reader may not be used to take pictures. E-readers must be registered with a designated staff member. In the event E-readers are misused, they will be confiscated and will remain at school for a length of time determined

by the administration. E-readers will be released to parents, student will be issued a consequence and the student will lose the privilege of having an e-reader at school. Behavior on the busses is to be in accord with the published bus rules. A student who is referred for misbehavior may face possible suspension or expulsion from the privilege of riding the bus and be issued a consequence.

Textbooks must be covered within the first week of school and remain covered all year. Contact paper is not to be used to cover hardback books and if used the student will be assessed replacement cost of the book. Consumable books must be covered with contact paper.

Students may be asked to pay for deliberate damage to property. This includes fines for damaged books, damaged furniture, and the actual cost of any other damage.

Students and parents will be notified of any changes in the classroom or school-wide discipline plans that may occur during the school year.

Classroom and school-wide discipline plans may be modified for a student who repeatedly exhibits inappropriate behavior.

If a teacher or administrator notifies a parent that a student has a discipline problem, it will be done by sending a note or a conduct and discipline report. The report must be signed and returned the following school day. Failure to do so may result in a consequence.

Severe Clause: Major infractions such as blatant disrespect, harassment, defacement of school property, stealing, lying, dishonesty, inappropriate language/gestures, substance abuse, and weapons may result in disciplinary action such as immediate suspension, probation, or expulsion.

Harassment

Most Blessed Sacrament Catholic School does not condone harassment or bullying of any kind. All students are to be treated with dignity and respect. Harassment of any form is prohibited. This prohibition against acts of harassment applies to all people engaged in all school related activities. Any forms of harassment or bullying will be dealt with and may result in disciplinary actions such as immediate suspension, probation, expulsion, or actions deemed necessary by the administration.

Bullying is a form of harassment. Bullying behavior is the repeated harassment and targeting of another with the intent to cause emotional, physical, or psychological harm.

Physical harassment includes unwarranted physical touching, contact, assault, deliberate impeding or blocking movements, or any intimidating interference with normal school work or movements.

Sexual harassment shall be defined as inappropriate verbal or physical conduct of a sexual nature.

Verbal harassment shall include derogatory remarks, jokes, or slurs, and can include belligerent or threatening words spoken to another.

Written or electronic communication harassment includes communication of any threat of, or act of sexual, verbal and/or physical harassment.

Harmful Substances and Use

Most Blessed Sacrament Catholic School strives to provide preventative education and a drug-free climate on campus, and at all school-related functions. The use of all chemicals, including

tobacco, smokeless tobacco, and tobacco products, alcohol, prescription or over-the-counter drugs, illegal drugs (here and after known as “chemicals”) is prohibited. If a drug/alcohol treatment program is mandated, it is to be financed by the parent/guardian. If drug testing is mandated, for suspicion, it is to be financed by the parent/guardian.

Drug testing alone is not a substance abuse program. But as part of a comprehensive substance abuse program, testing can be an effective deterrent to substance abuse and an important tool to help educators identify students who need help. Drug testing will be mandated for suspicion of, possession of, or use of chemicals. If a drug/alcohol treatment program is mandated, it is to be financed by the parent/guardian.

Alcohol - If a student is found to be in possession of, or under the influence of alcohol on school grounds or at any school-related function, the alcohol will be confiscated and the parent/guardian will be called. Appropriate action will be taken by the administration. Appropriate action may include, but is not limited to suspension or expulsion.

Drug Paraphernalia - If a student is found to be in the possession of drug paraphernalia, appropriate action will be taken by the administration.

Illegal Drugs - An “illegal” is any drug, the possession of which is prohibited by federal, state or local law. Violations of civil or criminal law involving moral turpitude or other conduct that reflects or causes discredit to the reputation of the school by being contrary to the moral, religious or orthodox ethical principles of the Roman Catholic church or the philosophy, policies, goals, and commitments of the Catholic school as indicated in the parent/student handbook make a student subject to corrective action, including suspension or dismissal. Activities prohibited by this regulation include, but are not necessarily limited to, the following: attending, sponsoring or participating in activities where alcohol or illegal drugs are sold, purchased, possessed or consumed or committing, threatening or attempting to commit acts of vandalism that affect a person’s life, health or property.

Search and Seizure

School officials may search pupils, their lockers, or their belongings, including but not limited to handbag, briefcase, book bag for neatness and/or for contraband for purposes of maintaining order and discipline. Some items that are not permitted at school are: aerosol sprays, matches, lighters, gum, candy, weapons of any sort, pocket knives, paint pens, and other inappropriate items. The administration may deem an item inappropriate at any time.

Violence and Threats of Violence

Most Blessed Sacrament Catholic School recognizes violence and threats of violence. Incidents will be taken seriously and addressed. Threats of violence are not joking matters. Any further actions deemed necessary by the administration will be taken.

Emergency Information

Most Blessed Sacrament must have an emergency information record on file for each student. Most Blessed Sacrament Catholic School has an emergency procedure plan established for natural disasters as well as threats of weapons and violence.

Emergency Cards

The school office must have on file at all times, sufficient information to enable contact with a parent or the authorized representative of the parent. We must be able to reach parents in an emergency.

Emergency Dismissal

In the event of severe weather or other emergency, school may be closed on short notice. This notice will be in the form of bulletins through the local news media (radio and television). The bulletin will announce closing of East Baton Rouge Parish Schools. This will automatically include Most Blessed Sacrament Catholic School because we use public school transportation services and follow their transportation schedules. In an emergency situation it may be impossible for the school to contact all parents. During severe weather conditions, parents should listen to the local news media (radio, TV) for information concerning the closing of school. Parents are urged to make arrangements with neighbors or friends to take care of their children if they are customarily not at home during school hours. Parents are encouraged to instruct their children about such plans. Parents of carpoolers or walkers should have contingency plans for picking up their children as soon as these emergencies are announced. Carpoolers should make arrangements to pick up children immediately upon notification.

In the case of an emergency, One Call Now and e-mail will be used to notify parents.

Chemical Emergency

In the case of a chemical spill, we will follow procedures given to us by the Diocesan School Office and East Baton Rouge Parish, which may include evacuation or "shelter in place".

Emergency Disasters and Threats of Violence

Most Blessed Sacrament Catholic School will follow the Procedural Guidelines according to our Diocesan Crisis Response Manual, which is on file in the school office.

Extended Care

Most Blessed Sacrament Catholic School offers an extended care program for all parishioners with children in grades K–5. Middle school students will be accepted only if there is a K-5 sibling enrolled. This program will be held on the Most Blessed Sacrament School campus and will follow the school calendar. Forms for enrollment may be requested from the school office.

Students may not be picked up from Extended Care prior to 3:10pm and individuals must enter the campus through the church parking lot until 3:10pm. After 3:10pm individuals may enter the campus from any venue.

If a student is to go home other than their usual manner, a note must be sent to the teacher informing them of the change. Students without a note will be sent home in the usual manner.

Students may only ride home on a bus if they are an assigned rider on that bus.

Extra-curricular Activities

Extra-curricular activities at Most Blessed Sacrament Catholic School are considered a privilege and participation is governed by rules of eligibility. The stated eligibility requirements are the minimum standards to participate in activities.

For example, organizations such as Beta and Student Council may have more restrictive standards for eligibility. Students participating in these activities will be issued a separate set of guidelines.

Eligibility for Extra-curricular activities and athletics

Grades will not be used from the previous academic school year to determine eligibility as each year is a new beginning for everyone.

Students in grades 5 – 8 should have a minimum of a 2.0 cumulative average and a minimum of a C (75%) in conduct.

Grades will be checked at each progress report time and the end of each nine weeks. If a student's grades fall below a 2.0 cumulative average and/or their conduct falls below a C – 75%, athletic eligibility will be assessed and determined by the Most Blessed Sacrament Catholic School administration in consultation with their teacher.

Athletic eligibility may also be affected when incidents of severe misconduct occur.

Should behavior warrant, the administration may place a student on probation or remove that student from any activity at any point during the school year.

Athletics

Registration – Prior to participation in each school-sponsored athletic activity, a completed Most Blessed Sacrament Catholic School Athletic Consent Form and Most Blessed Sacrament Catholic School Physical Examination Form for the current school year and all required fees must be submitted. These forms will be made available by the school office and must be returned to the school office before a student may attend practice. A student must be examined by a physician prior to participation in any sport.

Conduct

All students participating in extra-curricular activities must recognize that they are representing Most Blessed Sacrament Catholic School, whether on campus or visiting away from school. This especially applies when students are wearing uniforms. Conduct at activities while representing Most Blessed Sacrament Catholic School must be dignified and beyond reproach in the opinion of the activity sponsor. We also ask our parents, students, and athletes to be ever

mindful of keeping up our good image. We must also remember that adult conduct has a strong impact on our children's attitudes and character development.

Event Transportation

Parents of students participating in these activities are responsible for getting them to designated assembly points on time and for picking them up on time.

Guidelines for Conduct at Athletic Events

Concessions are available at all the games. No alcohol is to be brought to any of these functions. Those fans bringing ice chests to student activities will not be allowed to enter. Anyone using alcoholic beverages will be asked to leave the school premises. This will be strictly enforced.

Students Who Attend After School Activities

An adult must supervise students attending after school activities. They may not be dropped off without adult supervision. If a student is not with an adult, the parent will be called to pick up their child. Once students enter the facilities, they may not leave without an adult. A student who does not abide by these rules may be restricted from attendance at future events. This is for the protection of your child.

A student who is absent from school because of illness will not be allowed to attend after school activities that day. Example: practice, games, etc. In certain circumstances, administrative approval may be granted.

If a student is suspended from school, they may not participate in a game or practice from the time of the suspension is issued until they are admitted back into school. If the suspension is on a Friday, he/she may not participate in any activities during the weekend.

Field Trips

Field trips are an extension of the curriculum. Students can be denied participation if they fail to meet behavioral requirements.

An official permission slip must be signed and returned in order for a student to be allowed to leave school. In cases of emergency, permission slips will be accepted via fax. Phone calls or handwritten permission are not acceptable. For your convenience, a blank permission slip is included in the back of this handbook.

Chaperones will be asked to follow in cars when space is not available on the bus. Chaperones are requested to help supervise students while they are away from campus. So that a chaperone's full attention can be given to the students they have been assigned, they are asked not to bring siblings on field trips.

Please be reminded that a chaperone should model appropriate behavior at all times. Please dress modestly when chaperoning. When in doubt, do not wear it.

The mission of the Most Blessed Sacrament Catholic School Guidance Department mission is to provide a supportive environment in which each child can develop emotionally, socially, spiritually, physically and academically. This is accomplished through individual counseling, small group counseling, classroom guidance, academic counseling and parent/teacher consultation and support. The Administration and Guidance Department reserve the right to speak to any student at any time without parent notification.

Educational Evaluations – When an evaluation is completed by an outside agency, the guidance counselor coordinates communication between the school and outside agencies. Parents should forward all evaluation forms to be completed by the school to the guidance counselor who will distribute them to the teachers. After these forms have been completed, the guidance counselor will forward them to the outside agency. A complete copy of the final report should be sent to the guidance department. Failure to submit the full report may affect student support. Confidential records are kept by the guidance counselor in a separate secured file.

Individual Student Needs – Most Blessed Sacrament Catholic School attempts to meet the needs of students within our school by making reasonable adjustments and incorporating minor interventions in regular classroom activities.

Health and Safety

All teachers will receive information on students in their classes with medical problems and explanations regarding these problems (i.e., symptoms, immediate emergency response, etc.).

Asbestos - Most Blessed Sacrament Catholic School has been declared asbestos free. No friable or non-friable asbestos - containing building materials have been found in the school. The Management Plan stating this is kept in the school office and is available for review at any time.

Communicable Diseases - Children with communicable diseases should remain at home for the usual period of time that those diseases are contagious. Children with fever over 100 degrees should remain home until they have been fever free without medication for 24 hours.

Health Records - State law requires that we have a copy of a Student Health Form for school registration on each student prior to the start of school. No child will be admitted without acceptable evidence of all required immunizations. Immunization records must be current.

Insurance – Accident insurance covering students during school hours, when going to and from school and at all school sponsored activities is provided to all students.

Parasitic Infestations - Occasionally all schools have problems with human parasitic infestations. Children with parasites should stay home until they are parasite free, including any nits.

P. E. Participation

Students who have been ill and need to be excused from P.E. must bring a note from a parent or physician the day they return. Students who have been injured and must be excused from P.E. for an extended period of time must bring a physician's statement stating that the child cannot participate. The student cannot resume P.E. activities without the physician's release statement. If a student cannot participate in P.E. class for a period longer than 2 weeks, alternate written assignments may be given to the student to fulfill all grade assignments.

Nut Allergies: The Most Blessed Sacrament cafeteria will not serve items with peanuts or peanut products. Students with identified nut allergies will be seated separately from students who bring bag lunches from home. Students with identified nut allergies will not be given any food items brought to school by other students, purchased or homemade. Students with nut allergies will be asked to provide a supply of nut-free snacks for consumption on these days.

Severe and/or Life Threatening Allergies: All students with severe and/or life threatening allergies (including nut allergies) must provide medication and completed medical forms including the approved Emergency Care Plan by July 15. Parents are to schedule a meeting with the office staff, administration and the child's teachers within the first two weeks of each school year to discuss procedures.

Lost & Found

Parents are asked to label all student clothing and belongings. Any items found will be returned directly to that student. Unclaimed articles of clothing that are turned in to the office without the student's name will be donated to charity.

Materials Brought to School

Only eyeglasses, lunch boxes and academic related materials will be accepted for distribution to students once they are on campus. Late assignments will not be accepted.

Medication

Most Blessed Sacrament has strict regulations on all forms of medication given to students for the safety and welfare of all students.

Students should NEVER have medications in their possession on the school grounds. This includes Tylenol, vitamins, cough drops, Chap Stick, or any other medicine. The school has the right to take any such medication away from the child and contact the parent.

Medications will not be given at school. This includes antibiotics, short-term medications, and non-prescription drugs (aspirin, Tylenol, cough drops, etc.). Any questions concerning medication should be directed to the school administrator. Possible exceptions to this rule are:

- Medication for behavior modification (e.g., Ritalin).
- Allergy medication, which must have a note from the physician with specific instructions.
- Anticonvulsive medications (e.g., Dilantin, Phenobarbital).
- Medication for asthmatic conditions.
- Medication for students with diabetes.

If children must take any of the above described prescription medications, the medication must be brought to school by the parent or guardian. It must be in the container in which it was originally packaged. The label must have the name of the student, name of medication, date, dosage, and the specific time it is to be given at school. Unlabeled medication cannot be dispensed. When the initial medication is brought to school by the parent, a note with the physician's signed approval must accompany it. This note will be attached to the school's medication form, which the parent will fill out and sign. The physician may choose to fill out the school form rather than sending a note. To circumvent potential abuse, the medication will be kept in the school office under lock and key in a secure, central location and a log maintained on the administration of the medications.

Teachers are not to keep student medicines in the classroom or dispense medicine at any time. No more than a month's supply of medicine will be allowed at school.

Any and all prescription medication that is brought to school for ongoing medical conditions must be brought to the school office before the first day of school. The medication needs to be labeled and in the original packaging. All medication must be accompanied by the completed Most Blessed Sacrament Catholic School medical form signed by the doctor. Students with severe allergies must also include the approved Emergency Care Plan.

Parent Cooperation Statement

Part of the educational philosophy of Most Blessed Sacrament Catholic School is the belief that the school assists the parents in carrying out their primary responsibility of providing religious and secular education for their children. Hence, Most Blessed Sacrament Catholic School expects the parents to be involved as much as possible in the education of their children. This means not only supporting the school and participating in its activities, but also providing instruction and examples for their children both at home and in public. While Most Blessed Sacrament Catholic School realizes and recognizes that there may be legitimate disputes concerning educational matters, Most Blessed Sacrament Catholic School is ultimately responsible for the orderly operation of the school in the best interest of all of its students. Therefore, the school reserves the right to terminate its relationship with a student if the student and/or parents of the student fail to provide the support, assistance, and example necessary to accomplish the school's role of assisting the parent in providing the religious and secular education to which the child is entitled.

Failure to abide by the regulations and policies of the school handbook by either the student or his/her parent or guardian may result in the student's removal from the school at the discretion of the school's administration.

Parties and Birthday Parties

Parents should check with the child's teacher before bringing treats for a child's birthday. Any leftover treats will not be sent home with students.

Invitations - Invitations will be given out at school when the entire class is invited, all boys in one class are invited or all girls in one class are invited.

Technology and Acceptable Use Policy

(Diocesan Policy 4.9.1.3) Educational programs governed by the Catholic Schools Office require the ethical use of the Internet and related technologies by all employees, volunteers, and students, as set forth in the Acceptable Use Policy for the use of the Internet and related technologies. Access privileges may be revoked, school/parish disciplinary action may be taken and/or appropriate legal action taken for any violation that is unethical, and/or may constitute a criminal offense. The use of the Internet and related technologies must be in support of education and research and consistent with the educational objectives of the diocesan school district. This policy must be included in the school handbook of policies and must be adhered to.

By signing the Contract/Guidelines Regarding the Use of the Internet students and parents agree to abide by all rules included.

The use of the Internet is a privilege, not a right. The primary purpose of the school's Internet connection is educational and as such, educational purposes shall take precedence over all others. Students agree not to use the Internet connection unless given permission by a teacher or under acceptable supervision. Students agree not to participate in the transfer of inappropriate or illegal materials through the school's Internet connection. Students agree not to use the Internet for making threats of violence, slanderous or derogatory remarks against any members of their school community. Students and their parents/guardians accept that inappropriate behaviors

may lead to penalties including loss of privileges, disciplinary action, and/or legal action. Students and their parents/guardians release the school and all other organizations related to the school's Internet connection from any liability or damages that may result from the use of the Internet. In addition, students and their parents/guardians accept full responsibility and liability for the results of the student's actions with regards to the use of the Internet.

Internet/E-mail Procedures:

Students in grades 4 - 8 will be given school e-mail addresses. These e-mail addresses will allow students to access the Most Blessed Sacrament Catholic School Google Classroom platform to complete assignments and access resources. The level of access to the Internet will vary according to the educational purpose set by the teacher and the age of the child. Each student will have access to Internet resources throughout his/her classroom, library or school computer lab. Students may not use a personal e-mail account; however, he/she may be involved in classroom e-mail projects under the direct supervision of the classroom teacher. The student has the responsibility to learn and follow the guidelines that are deemed appropriate in using our educational network. All access to the Internet will be teacher directed and will conform to the following rules. The administration retains the right to amend these rules at any time. Although your child's use of the Internet will be supervised, we cannot guarantee that your child will not gain access to inappropriate material. There may be material on the Internet that is not in accord with your family's values. You are encouraged to use this as an

opportunity to discuss with your child your expectations and how these values should guide your child's activities while he/she is on the Internet.

Social Networks

Any student found posting inappropriate content to sites, such as *Facebook*, *Instagram*, *Snap Chat*, etc. will be subject to disciplinary action. The Diocese of Baton Rouge advocates the use in innovative technology resources in its students' academic pursuits. However, because the Internet is a public forum with unrestricted access, all schools contained within the Diocese of Baton Rouge reserve the right to discipline any student for the posting of inappropriate information on the Internet by that student regardless of the origin of the post. Disciplinary action can be taken as a result of any inappropriate information or photographs in any format related to any school, faculty/staff member and/or student within the Diocese of Baton Rouge on any website, chat room, e-mail or other messaging system that is deemed threatening, harassing, or spreading false, defamatory or morally inappropriate material. Technology and Harassment:

The technology abuse policy exists to curtail any use of technology as a form of harassment, invasion of privacy, or as a means to view and/or distribute any material, including digital images or printed materials.

It is clear that digital images and video may easily reach the Internet through the use of video devices and make their way to personal web pages or social networking websites. Therefore, the use of technology, which includes cellular phone digital photography, digital motion video, personal computer, or other digital video or photography equipment, to access, photograph, video, or redistribute any inappropriate or illicit material is prohibited.
