Dear Community members:

We are writing on behalf of Fort Lupton High School League of United Latin American Citizens (LULAC); a club that promotes education, leadership, community involvement, family values, and cultural diversity. On **Friday, December 4, 2015 at 5:30 P. M.** we will be hosting a community event, our second annual **“Winter Fest Parade.”** The primary purpose of this event is to promote collaboration within Weld RE-8 School District, as well as all community agencies and businesses. Secondly, we would like to spread the Holiday Spirit. Moreover, we would like to promote this event **as a fundraiser for scholarships.** As an effort to reward our members, we would like to ask for your participation.

Please join our parade with a **lighted float, and/or vehicle.** Included with this letter is the registration form. Please remember that there is **no small donation and every dollar will help our students pay for their college education.**

Without a doubt, many of us know that this is one of the most complicated economic times that we have lived through. As members of LULAC, we would like to be able to lend a hand to our community, in spite of these financial hardships.

Our hope is that the recognition each student receives will encourage him or her to continue functioning in an outstanding manner and become a positive member of our community. As other students witness the positive reinforcement, they will want to continue working hard, attaining goals, and being a constructive part of society.

You can be a part of this exciting and empowering program that rewards the future men and women of the Fort Lupton Community. With your **tax-deductible** contribution, each selected student will receive a scholarship. The name of your business will be included in the list of donors, which will be announced publicly at the event.

Thank you in advance for your generosity and caring about our students, our future generation. If you have any questions or need further information, please feel free to contact us. Thank you for your thoughtful consideration and for your support. We hope to see you at the parade!!!

Sincerely,

Nancy Wendirad
