

CACCI's NAVIGATORS TRAINED TO ASSIST!

VERIZON STRIKERS TO LOSE HEALTH COVERAGE MAY 1

Verizon workers who are on strike and losing their health insurance as of 5/1 have options. **CACCI's Navigators have been trained to assist these individuals.**

NEW MASSHEALTH RENEWAL PROCESS

Beginning April 21, 2016 MassHealth will be sending notices throughout the year indicating when you need to renew and steps you may need to take.

WHAT HOUSEHOLDS WILL NEED TO DO?

Households will need to complete the **Annual Eligibility Renewal** to find out if members of the household can still get coverage through MassHealth.

MassHealth will continue your household's **current** coverage for up to 45 days from the date of the letter while they wait for you to renew your information. Once they process your completed renewal application, MassHealth will send you another letter to let you know if you and members of your household still qualify for health coverage through MassHealth, CMSP, or the HSN.

PLEASE PAY ATTENTION TO DEADLINES!
