# Botvin's LifeSkills® Training for Middle School Educators

**Tuesday, May 31, 2016**

**8:30 a.m. - 3:30 p.m.**

**Innovation Room - Open Cape Building  
The Barnstable Courthouse Complex  
3195 Main Street  
Barnstable, MA 02630**

*There is no cost to attend, but registration is required. Breakfast and lunch will be provided.*

*Caron Treatment Centers, with the generous support of the Smithers Family Charitable Fund and the Cape Cod Substance Abuse Prevention Fund of the Cape Cod Foundation will offer a Botvin LifeSkills® Facilitator Training for middle school educators in Barnstable County. School personnel are invited to learn about and be trained in this evidence-based substance abuse prevention program. Attendees will become trainers in the program and those school districts who have not already received a copy of the curriculum will be provided one at the training session.*

**Who Should Attend?** Health/PE teachers, school counselors, psychologists, prevention specialists, peer advisors or any school staff concerned about the health and well-being of students.

**Why Attend?** LifeSkills® Training is a research-validated substance abuse prevention program proven to reduce youth substance abuse and violence. LifeSkills® helps children and teens cope with major social and psychological factors that could lead to substance use and other risky behaviors. The LifeSkills® Training program is a one-day workshop that equips participants to implement the program in their own schools or organizations. During training, participants have opportunities to practice teaching strategies using lessons from the curriculum.

**Space is limited to 25 participants. Register by May 24, 2016**
