Community Health Center of Cape Cod Hires Behavioral Health Clinicians

Mashpee – Community Health Center of Cape Cod has hired Diane M. Delauter, LICSW and Kathleen Denham, LICSW, MSW as behavioral health clinicians. Ms. Delauter received a Master of Science degree in social work from Bridgewater State University and a Bachelor of Arts in theater arts from San Francisco State University. Prior to joining the Health Center, Ms. Delauter was a primary therapist in the Intensive Outpatient Program for seniors at Saint Anne's Center for Behavior Medicine in Fall River and an individual, couples and family therapist at Arbour Counseling in West Yarmouth. She has years of experience working in the addictions field and most recently specialized in intensive group therapy with older adults. Ms. Delauter lives in Cotuit.

Ms. Denham received a Master of Social Work from Boston University, Montessori Elementary School Certification from Seacoast Center for Teacher Education in Greenland, NH and a Bachelor of Science from Framingham State University. Before joining the Health Center staff, Ms. Denham was a clinician and therapist at Cape Cod Human Services in Hyannis and a substance abuse counselor at Gosnold Treatment Center in Falmouth. She lives in Woods Hole.

Community Health Center of Cape Cod is a complete medical home that offers primary care, behavioral health and dental services as well as a full service pharmacy and optometry services. Behavioral health services at the Health Center include information and referral to specialty services, mental health and addiction assessments, depression screenings, child and adult psychiatry, and individual, couples and family treatment to patients.

For more information about services offered at Community Health Center of Cape Cod, call (508) 477-7090.

Community Health Center of Cape Cod is a non-profit Federally Qualified Health Center that provides access to health care for adults and children with MassHealth, Commonwealth Care, Medicare, private insurance or no insurance at all. Services include primary and preventive care, dental care, behavioral health, optometry, pharmacy and coordinated case management at locations in Falmouth, Mashpee and Bourne. Visit the Health Center online at www.chcofcapecod.org.
