Update on the Management of Parkinson's Disease

A Program for Health Care Professionals

Please join us for a Continuing Education Program about Parkinson's disease.

Topics covered in this presentation will include:

- Common and classic presentations of Parkinson's disease
- Medications used to manage the symptoms of Parkinson's disease
- The role of adjunct therapies, including exercise, in the care of an individual living with Parkinson's disease
- Community resources available for individuals, families and caregivers

About the Presenters

Cathi A. Thomas, MS, RN, CNRN, is the Program Director of the Parkinson's Disease and Movement Disorder Center at Boston University Medical Campus. She coordinates activities of the APDA Information and Referral Center.

Marleen Spengler, MBA, RN-BC, CMC is a Geriatric Care Manager at the Community Alliance Resource for Elders. Marleen is a board member of the Parkinson Support Network of Cape Cod/ APDA Branch.

PSN partners Cape Cod Healthcare and Spaulding Rehabilitation Hospital will provide information on Parkinson programs and services.
