

Sandwich Public School District in partnership with the Sandwich Substance Abuse Prevention Committee, the Barnstable County Substance Abuse Prevention Collaborative Grant and Sandwich Waves of Hope from Addiction.

## *Under Construction! What Every Parent Must Know About Your Tween/Teens Brain Development*

There is increasing attention to teen brain development and how it impacts how teens behave and take risks - such as using alcohol and drugs - and what this means for parents of teens.

Our program will feature Dr. Ruth Potee, recently honored by the Franklin District Medical Society as the 2015 Community Clinician of the Year.

Come learn more about what parents and other interested members of the community can do to keep our teens safer, healthier, and substance-free through the middle and high school years.

**WHO:** *Parents, Guardians, Students and other Adults who care about teens*

**DATE:** *Thursday May 19, 2016*
