LWHS Counseling Center Presentation:
The College Application Process

Mark your calendars for September 30 at 6:30pm! The Counseling Center will be hosting a presentation on the Four-Year College Application Process. While we highly recommend this presentation for parents of seniors and our senior students, we welcome LW junior parents/students, as you all will be provided with detailed information on the college application process. This presentation will be held in the LWHS Theater and begin at 6:30 pm. The PowerPoint used will be available on our LWHS webpage and our Counseling Haiku page the day after the presentation date. The information provided will also be available to our senior students on October 14, during our Senior Seminar Day here at LW. We hope you will be able to join us, and please visit our Counseling Haiku page, or our LWHS webpage, for upcoming parent presentations and events!
