Listings are required to have the zip code +4. To ensure accuracy, double check the zip code +4 against the United States Postal Service (usps.com).

The screenshot shows the FlexMLS website interface. At the top, there is a 'LOG IN to FlexMLS' button and a link for 'Forgotten your password? Click Here'. Below this is the 'MLS Site Navigation' menu with links to Home, Forms and Rules, Support, Communications, Admin FAQ, Statistics and Reports, Office and Agent Rosters, and WI Listings - NEW. A 'Search This Site' section includes a keyword search box and a checkbox for 'KB Articles Only'. A 'Class Schedule' section displays a calendar for November. At the bottom, a 'Links' section lists various resources, with 'Zip Code Finder' highlighted by a red box.

usps.com Info

This building has 29 different +4's.

Tips: ALWAYS double check the +4 for condos. The +4 may be for the building and may be different from the actual unit. Also, make sure to add the word "unit" before the unit number under the Apt/Suite/Other when searching in usps.com.
