Everyone who does anything with beads should know the Wrapped Loop technique. It is used in earrings and pendants, and forming links to make bracelets, necklaces, and MORE!

Fishbone Earrings and Pendant

Saturday April 18th

10:30am to 1pm

\$30

Instructor: Christine Wilson

Experience Level - Beginner

You will be giddy with excitement when you see this project!! The sparkle of the Swarovski Crystal Spike and Crystalettes® combined with the metal rings is out of sight!! If you have never done chainmaille, this is a great beginner project.

*****Important*** There will be a required kit fee for this class! It will include ALL materials to complete the project.**

***Fishbone Pendant
& Earrings***

Kit Prices:

Argentium Silver = \$36 to \$38

Bronze, Brass or Stainless Steel = \$24 to \$26

Square wire rings, Crystaletts®, and Swarovski Pendants combine in a show stopping chainmaille design.

La Piazza

Thursday April 23rd 6:15 to 8:15pm \$30

Instructor: Kim West

Experience Level – Determined Beginner, Intermediate

This is a very sparkly bracelet that uses LOTS of firepolish!!! I made the piece with 3 rows wide but it can be modified to be as narrow or as wide as you would like.

This bracelet uses a modified Right Angle Weave technique and some netting.

A basic knowledge of Right Angle Weave is a must.

Dicey Diamonds

Thursday, April 30th 6:15-8:15pm \$30

Instructor: Kim West

Experience Level - Beginner

Are you interested in Seed Beads but aren't sure where to begin? This is the perfect starter project for you!!

I can promise, once you make one of them, you will be hooked! We love the two-holed SuperDuo beads that are used here.

Tintern Abbey

Saturday May 2nd 1:00pm to 4:00pm \$45

Instructor: Liz Thompson

Experience Level – Intermediate

This pendant with its sparkling crystals is named after Tintern Abbey which was established in 1131 in Wales - almost 900 years later, it's ruins are still a tourist destination. Technique is mostly netting. The bail is right angle weave.

The Cute Little Bracelet

Thursday May 7th 6 to 8pm \$30

Instructor: Cathy Andrews

Experience Level – Beginner

If you have never used 2-Hole seed beads before, this is the perfect introduction! Cathy designed this bracelet using SuperDuos and Brick beads. This would be the perfect Mother's Day Present.

MOTHER'S DAY ALERT!!!!

Do you need something to do with your Mom for Mother's Day? The following two classes are beginner classes on Mother's Day weekend!!!

Elemental Earrings

Saturday May 9th 10:30 to 12:30pm \$30

Instructor: Christine Wilson

Experience Level – Beginner

Square wire jump rings, Crystalettes, and Swarovski crystal combine for a pair of show-stopping earrings. This link is the basis for Christine's entire Elemental series and is a great place introduction for her more advanced projects.

*****Important*** There will be a required kit fee for this class! It will include ALL materials to complete the project.**
