

Seafarer's Friend End of Summer Celebration

SUPPORT THE WORK OF SEAFARER'S FRIEND Sponsor—Seafarer's Friend End of Summer Celebration

Seafarer's Friend has been a trusted friend and partner in the Port of Boston for 188 years. Chaplains board visiting vessels daily, offering support, encouragement and friendship during the seafarers' stay in port.

This visit is often the only means of communicating to loved ones at home.

Heightened security regulations prevent shore access without the presence of chaplains or TWIC holders. Listening to the needs, concerns, joys and struggles of multi-national seafarers is invaluable after being at sea.

Seafarer's Friend is primarily **supported by donations** of individuals, churches, and corporations.

Seldom does financial support meet the increasing demands for this important outreach to strangers from many nations; yet Seafarer's Friend offers a calming of potential unrest from long periods at sea, easing the potential for damage to crew and vessel from stress—invaluable support to many stakeholders of the industry.

Seafarers and the maritime industry, though unknown, offer a vital underpinning of our region's economy.

The Seafarer's Friend End of Summer Celebration is a means of bridging the gap between the maritime community and the New England region. Sponsors are offered the chance to highlight the value of merchant mariners and of their company to the guests at the event.

Please join us this year in honoring Captain Arnold Itz (Ret.), a long time friend and supporter of Seafarer's Friend for his years of service on behalf of the maritime community.
