JULY 2016

Programs, Events, and Learning Opportunities

Open daily at SciWorks through Sunday, September 11

Where does a chipmunk sleep? What does an eagle feed its young? How do mother bats find their babies in a cave? Learn the answers to

these and many other questions as you explore the hidden habitats and secret lives of forest animals. Using imaginative role-play and hands-on activities, you'll discover nature from an animal's point of view in naturalistic environments, including a stream, meadow, woodland, cave, and naturalist's tent. *Animal Secrets* is specially designed for children ages 3-8 and has English and Spanish text panels. Included with museum admission. SciWorks, 400 W. Hanes Mill Road, Winston-Salem. (336) 767-6730. www.sciworks.org.

Sponsored locally by:

Animal Secrets is a traveling exhibition of the Oregon Museum of Science and Industry.
