

Reading Day! April 20th

Women United is excited to be sponsoring a reading day in our local preschools on April 20th.

We are in need of volunteers to read in the morning and afternoon. The morning reading time is 10:00 and the afternoon reading time will be at 1:00.

If you would like to read to a preschool class, please call us at 260-824-5589, or e-mail your name and preferred time to read (morning or afternoon) to assistant@unitedwaywells.org.

We will meet in the United Way office where you will receive the book that you will read, and the name and address of the preschool you will read at.
