

The Bluffton Rotary Club is again selling roses this year, as a fundraiser.

We use the funds raised from this project to support the various community projects in which our club is involved, so by supporting this fundraiser and buying some roses, you are indirectly helping the Bluffton Rotary Club, help your community.

None of the funds raised are used to personally benefit any Rotary Club members, other than the intangible "feel good" benefit we get from using the funds to support our community.

The roses come from Gassafy Wholesale Florist in Ft Wayne, and include greenery and baby's breathe. We have always been well satisfied with the quality of the product.

Colors available are RED, YELLOW, PINK, PEACH, and WHITE.

You get a dozen roses for \$20, the same price as last year. No vase is included with the roses, you will have to provide that yourself.

We always target the Administrative Professionals Week for this project, as these roses make a great gift for those Administrative Professionals at your work place. Administrative Professionals Week is April 25th to April 29th this year, with April 27th being Administrative Professionals Day.

They also make great gifts for those other special ladies in your life, (wife, girl friend, mother, daughters, daughter-in-laws, sisters, grandmothers, aunts, and even those widow ladies you know who don't have anyone else who still gives them roses)

To order...

Simply email Chon Michael at jmichael@ossianstatebank.com and let him know how many dozen you need, and what colors you want.

You pay when they are delivered to you.

Delivery date this year is Tuesday April 26th.

Please order by Tuesday, April 19th

Thank You for considering this worth while Project.
