

Supporting UCC Students

Leaving home to attend post-high school educational institution is exciting and at times stressful. First Congregational UCC of Albuquerque is willing to provide support to members of UCC congregations in the SW Conference who are leaving home and coming to Albuquerque to further their education and skills.

We invite congregations in the SW Conference to provide contact information for students who would like to belong to a support group. We are in the envisioning phase of this project. It is essential that we develop programs and activities that meet the needs of these students.

Please send contact information to First Congregational UCC using the email below.
