

PRESIDENTIAL PRECINCT

PEER COLLABORATOR PROGRAM FOR THE MANDELA WASHINGTON FELLOWSHIP

Are you an established professional working in business, government, or the non-profit sector? Are you interested in establishing partnerships and growing your professional networks with African peers through one-on-one networking and collaboration? If so, we invite you to consider serving as a Peer Collaborator for the 2015 Mandela Washington Fellowship program through the Presidential Precinct.

ABOUT THE FELLOWS

MANDELA
WASHINGTON
FELLOWSHIP
FOR YOUNG AFRICAN LEADERS

Mandela Washington Fellows are early to mid-career professionals between the ages of 25 and 35 who have a proven track record of leadership in their communities and organizations. Fellows come from 49 countries across sub-Saharan Africa and have shown a commitment to improving their home countries and to establishing strong ties between Africa and the United States.

PEER COLLABORATOR'S ROLE

As a Peer Collaborator, you can develop a professional relationship with a Mandela Washington Fellow through meetings from June 22nd through July 31st, 2015. Ideally, Peer Collaborators and Fellows will meet approximately once each week during the six-week program by skype, face to face, or by phone. Meeting times, locations, and activities will vary depending on your schedule and the schedule of the Fellow but we will make sure we can work with your busy schedule.

BENEFITS TO YOU AS A PEER COLLABORATOR

Peers and Fellows will be matched based on career interests, field of study, and experience. Aside from expanding your global professional network, you will gain insights into African trends in your field, explore the possibility of new projects, and forge professional bonds with an upcoming African leader. Ideas for meetings include attending networking events, meeting for coffee, sharing a meal, and attending cultural events.
