

Please help our students make sure our homeless veterans are warm this winter. During the months of September and the beginning of October, we will be collecting gently used or new blankets and coats. All sizes and genders will be accepted. The items will be donated to the yearly One Mile March for Veterans sponsored by Operation Hometown, Veterans Matter.

The event is attended by some of our own parishioners to help pass out the coats. No coat will go unused! Send the coats and blankets into school with your child or drop them off in the box in the hallway of the middle school building by the office.
