Group of Lincoln Benefit Life Policies that Continue to be Administered and Serviced by Allstate

As part of the transfer of life servicing to Alliance-One Services, Inc., a licensed third party administrator, Lincoln Benefit Life (LBL) would like to take this opportunity to clarify the life policies that continue to be administered and serviced by Allstate.

- This group of policies include guaranteed term and 10-year Level Best term policies sold from Jan. 1, 2000 through December 31, 2009, as well as a limited number of Golden Achiever UL policies, which are being administered and serviced by Allstate.
- These policies remain at Allstate due to the reinsurance requirements associated with NAIC Model Regulation XXX.

How to Determine Where a Policy is Being Serviced

Use the Policy Finder tool available on the home page of LBL.com, which automatically directs users to the appropriate servicing entity's website. To use the tool, follow these steps:

1. Go to LBL.com. The Policy Finder tool is located in the 'Your Policy' box on the right side of the LBL.com home page.
2. Enter the policy number and select 'Go'.
3. For life policies being serviced by LBL's third-party administrator, first-time users will be directed to create a registration; for all subsequent visits, users will simply log into the secure Life Service Center website.
4. This tool can currently be used for all LBL annuity contracts and life policies.
