Individual Loan

1. Mrs. Hem Sothea

This month I could pay back the loan to MfM. Our family is very happy to get the loan from your loan officer from MfM. Your program is helping me so much to get my small business; I am earning some money for my family and my children could go to school. We thank you very much for your program.

2. Mrs. San Sarat(Selling food)

Today, I am very happy to Mr. Meet with Mr. Norak. He came down to visit my home, and I paid my laon today and I earned some money from my small business. Our family would like to thank you for your program. I thank you your team to visited me again. Today, I did not sell because I would like to rest today.

3. Mrs. Khon Saroeurn (Selling soft drinking, water, fried egg)

Today, I was happy to meet Mr. Leang and I was is doing fine and I could pay my loan back this month. My selling are doing good with the students and everyday , students bought crackers, more soft drink, bread. Our family was happy to get the loan from your program. I thank your team to provide the loan to my family so I could buy things to support my small business. The students were every happy to buy food from me. My selling are doing great!!!
