

## Lake Washington PTSA Council Scholarships

Each year, the Lake Washington PTSA Council awards a variety of scholarships to graduating seniors and to LWSD certificated staff. Funding for these scholarships is provided by the generosity of all PTAs in the district, the continued support and success of Council's Annual Scholarship Basket Auction, and donations from the greater community. Student scholarships, recognizing achievement and community service, assist recipients in their post-secondary education. Scholarships for certificated LWSD staff provide assistance with continuing education at an institute of higher learning, through LWSD Professional Development, or for pursuing National Board Certification.
