**THE RESULTS ARE  
UNDENIABLE**

*"We have used Huntington for small tutoring sessions in the past, so when it was time to prepare my 11th grade daughter to take the ACT exams, we decided to use Huntington for test prep. For her first ACT exam, her score went up around 6 points from the start of tutoring. We were happy with that, but wanted to improve her score. She went back to Huntington for a few sessions prior to her 2nd ACT exam. Her score improved another 4 points! We were beyond thrilled! I cannot recommend them enough for test prep! What a huge advantage she will now have with her top scores thanks to Huntington's help! The teachers and the director are amazing! Thank you Huntington!"*
