

# Welcome Sixth Graders!

It's science.  
It's history.  
It's an intriguing mystery.

Are you ready for ...

## ***The Great Trouble?***

By Deborah Hopkinson

To prepare for a fun year of learning in 6<sup>th</sup> grade,  
we invite you to delve into a novel in which you will meet a boy  
named Eel and his best friend, Florrie, who are in a race against time  
to help Dr. Snow solve a mystery but are being hunted by  
a nasty man named Fisheye Bill.

Spend some time this summer enjoying this great read and be ready  
to have some awesome discussions when you return to school.

**We're looking forward to learning with you!**

**Your Sixth Grade Teachers**
