What You Bring

- ✓ Please register on Volunteer Hub before arriving to site. Registering online includes completing our liability waiver.
- ✓ Wear old clothes, long pants year round or knee length. You will get dirty. During colder months, each home will have warming stations- feel free to dress in multiple layers.
- ✓ Shoes: Wear thick-soled, slip resistant shoes with strong leather upper or boots (no sneakers or sandals). *This is to comply with City and State laws.*

Frequently Asked Questions

- No construction experience is necessary. Our knowledgeable Site Supervisor and AmeriCorps Site Leaders will lead you in building the Habitat way!
- We supply all tools, hats, gloves and work belts.
- Water is supplied. Feel free to bring a personal water container.
- Bathrooms: We provide clean port-o-johns with hand sanitizer.
- Items such as bags, purses or coats will either be locked away or in the room where you are working.
- Cell phone usage is limited to breaks and lunchtime.
