

BC RENEWABLE ENERGY & CLEAN TECH TRADE DELEGATION TO INDIA

Delhi, India

5 – 9 November 2012

The British Columbia Trade and Investment Offices in Vancouver and India invite British Columbia-based renewable energy and clean tech companies to participate in a trade delegation to India. Rapidly increasing energy requirements and unprecedented infrastructure development in India provide British Columbia businesses with an enormous opportunity to tap into the Indian renewable energy and clean tech market!

Dates: November 5 – 9, 2012

Location: Delhi, India

Registration Deadline: Please confirm your participation as soon as possible, by mid-September 2012

To register and for more information please contact Caterina Papadakos, International Business Development Manager – India at Caterina.Papadakos@gov.bc.ca

Benefits you will receive by joining this delegation:

- Strategic positioning of your company and introductions to Indian investors.
- Targeted business and government introductions for new strategic partnerships and client relationships.
- Participation at the [6th Annual Renewable Energy India 2012 Expo](#) November 7 – 9, 2012 (a limited number of BC companies will have the opportunity to exhibit at the Canada Pavilion – confirm your attendance as soon as possible)
- B2B networking forums and targeted industry events and site visits.
- Learn about the latest industry trends and updates from key decision makers in India.
- Participation at the [2nd Canada-India Business Forum](#) hosted by the Canada-India Business Council, November 5 – 6, 2012. (Invitation-only event, the BC delegation will request invitations for delegation members)
- Participation at SFU's Renewable Energy Workshop, November 5 – 6, 2012.
