Digital Cookie Program

Terms and Conditions for Parents/Guardians of Girl Scouts Effective October 15, 2015

Welcome to the Digital Cookie Program! Parents/Guardians must agree and adhere to the below terms and conditions (Parents/Guardians Terms & Conditions) by clicking "I ACCEPT" in order for their Girl Scout to participate in the Digital Cookie Program.

The Digital Cookie Program is family and friendly driven. Under this Program, your Girl Scout will be able to create her own Digital Cookie site so that your friends and family can purchase cookies online and you can learn and practice the life business skills: goal setting, money management, people skills, decision making, and business ethics in a modern digital setting.

In addition, because your Girl Scout will be involved with managing and entering information associated with the program online, please carefully review the accompanying Privacy Notice before agreeing to these Parents/Guardians Terms & Conditions.

Your agreement to these Parents/Guardians Terms & Conditions constitutes your consent to the Privacy Notice and consent that your Girl Scout may participate in the Digital Cookie Program.

I will keep my Girl Scout safe during her participation in the Digital Cookie Program:

- I will review the Girl Scout Digital Cookie Pledge (Required), the Safety Activity Checkpoints, and the Internet Safety Pledge with my Girl Scout and make sure that she understands all of these documents.

Finally, I understand and acknowledge that if I do not follow these Parents/Guardians Terms & Conditions or if my Girl Scout does not comply with the Girl Scout Digital Cookie Pledge (Required) or any of the materials referenced therein, including the Internet Safety Pledge, my Girl Scout's participation in the Digital Cookie Program may be terminated.

☐ I, Parent Name, accept the Terms and Conditions

Digital Cookie Program

Girl Scouts Safety Pledge, effective October 15, 2015

Welcome to the Digital Cookie Program! This pledge ("Digital Cookie Pledge") will tell you how you can participate in the Digital Cookie Program.

The Digital Cookie Program is family and friendly driven. Under this Program, you will be able to create your own Digital Cookie site so that your friends and family can purchase cookies online and you can learn and practice the life business skills: goal setting, money management, people skills, decision making, and business ethics in a modern digital setting.

Your participation in the Digital Cookie Program may be terminated if you do not follow this Girl Scouts Pledge. So please read it carefully! You must agree to this Digital Cookie Pledge by clicking "I ACCEPT" at the bottom in order to participate in the Digital Cookie Program.

I will keep safe online during my participation in the Digital Cookie Program:

- I will review with my parent or guardian and make sure that I understand the Internet Safety Pledge, the Safety Activity Checkpoints, and the Internet Safety Pledge before I create my Digital Cookie site.

I will be guided by the Girl Scout Promise and Law in all actions related to the Digital Cookie Program.

I also understand and acknowledge that my Digital Cookie site may be temporarily or permanently deleted at the discretion of Girl Scouts of the USA or my Girl Scout for any reason, including if there is a security-related issue or an issue relating to any content on a Digital Cookie site.

This Pledge may be modified by Girl Scouts of the USA at any time by posting a revised Digital Cookie Pledge online. I understand that it is my responsibility to check periodically for any changes to the Digital Cookie Pledge. I agree that my continued participation in the Digital Cookie Program after any changes to the Digital Cookie Pledge are posted means that I accept the changes.

I understand and acknowledge that if I do not comply with the Girl Scouts Digital Cookie Pledge in all ways, my participation in the Digital Cookie Program may be terminated.

☐ The Girl Scout(s) in our family accept the Digital Cookie Pledge
