Recital Hall
5:30 - 7:00 pm

Experience the Suzuki Method First Hand!

Join us for our Suzuki Open House and come learn about the Suzuki method, meet the teachers, hear students perform, and get your questions answered.

While you're here check out our "Make a Musical" session! Run by our newest faculty member, Aaron Jones, students can explore song writing and drama and use their musical skills.

If you enjoy this session you can sign up for our April Vacation Week "Make a Musical" Camp

Aaron will be running a week long "Make a Musical" Camp. Participants will start with a classic children's story for inspiration and let their imaginations run wild. Along the way, they'll write songs and dialogue, sing, dance, learn about story telling, and make props for the show.

What a great way to spend April Vacation!
