

# A message from our Girls on the Run...

## We're Collecting Donations for Animals...

Dear Mill Falls Families,

**Girls on the Run** needs your help donating to cute and cuddly friends! If you don't know what **Girls on the Run** is, we're a group of girls that meet two days a week to discuss a new topic every week. In one of our previous meetings, we discussed community service. For a community service project we decided that we wanted to do a project involving animals. We're asking families to bring in food and toys for animals. We are going to donate all of the items to the **Manchester Animal Shelter**. In each classroom we have put a cardboard box to put in all donations. The list below has some item ideas of what to bring in.

### **Cat Supplies**

- Non-Clumping cat litter
