

LSBR Virtual Foster Program

LSBR is excited to launch a Virtual Foster Program. Wherever you are, you can now foster a dog for LSBR and save a life!

If you are unable to foster a dog in your home but “wish” you could foster, the Virtual Foster Program provides you the opportunity to be personally responsible for a specific dog without the home care.

Here’s how it works....

Be a Virtual Foster “Angel”...

For a \$500 VF “Angel” sponsorship, you enable LSBR to rescue a dog and provide the dog basic vetting (vaccines, heartworm test, worming, micro-chip) and one month’s boarding.

This level of sponsorship not only gets a dog to safety and in the LSBR program, but also provides LSBR time to find a foster and/or adoptive home for the dog within that month. VF’s allow LSBR to save many more dogs needing rescue daily from our local shelters.

For dogs that require vetting beyond the basics, a higher level of VF sponsorship may be required.

If \$500 or more is a little too high for your budget, consider asking family, friends, and co-workers to form a Virtual Foster Group. Forming a VF Group is a great way to help those dogs that need additional care.

Be a Virtual Foster “Hero”...

For a monthly \$200 VF “Hero” sponsorship, you enable LSBR to board a dog that may take longer to place in a foster or adoptive home due to health or behavioral reasons.

Boarding costs add up quickly and are a huge financial burden to LSBR. Your VF “Hero” sponsorship provides LSBR time to offer a dog the rehabilitative care it needs before going into a foster or adoptive home.

What you get as a VFP...

As a LSBR Virtual Foster, you will receive regular photos and updates on your foster dog from the moment the dog is transported to the vet until the dog finds its “forever” home. Once the dog is permanently adopted, you will receive a VFP certificate and photo of the dog mailed to your home.

With the VF’s permission, LSBR would also like to acknowledge Virtual Foster’s on our website. In addition, for each dog a VF sponsors, they will receive a free ticket to our next Casino night yearly fundraiser as well as invitations to participate in future events.

Virtual Foster Commitment...

Your \$500 VF “Angel” sponsorship is all that is required to become a new dog’s virtual foster. If your virtual foster dog needs additional sponsorship for vetting or boarding beyond a month, you will have the opportunity to sponsor those expenses but are not required to.

As a \$250 VF Hero, you will receive monthly progress reports about your virtual foster. You may also visit your VF at the kennel. While the dog is in boarding, LSBR asks that your monthly support continue until your virtual foster dog finds a foster or adoptive home. If you are not able to continue monthly support, LSBR just asks for a minimum two week’s notice. In addition, we welcome you to visit your Virtual Foster and take him/her for walks (by appointment only).

Become an LSBR Virtual Foster TODAY! Enjoy the foster experience of saving a dog’s life and bringing joy to the family who adopts your foster.
