Wine & Design: Get Your Membership Buzz On!

Come enjoy a fun filled night of Wine, Design, and Membership Benefits! Join us and meet IIDA Members, discuss membership, ask questions, and learn about how IIDA has impacted our members.

Attendees will be provided with a fun and creative environment where they will be able to create their own masterpiece while enjoying food and refreshments.

Our class will be led by Kristin Hilt, Senior Custom Designer with Momentum Textiles. Kristin develops custom textiles for the hospitality industry and in her free time is a painting instructor at Wine & Design in Jamestown, NC. We are excited to have Kristin participate in the membership drive and lead our class.

Note: Brushes, paints, and canvases will be provided for all participants. Reservations are required and space is limited so be sure to RSVP as soon as possible if you wish to paint!

Thank you to Milliken, our Black Partner, and Tandus|Centiva our Platinum Partner, and to all our Chapter Partners who support IIDA throughout the year.
