

**A-1 Merchant Solutions offers to Bethlehem Chamber Members our new Advertising & Proximity Marketing Mobile App for only \$30 PER YEAR!**

---

Your customers download the UBiz app onto their Smart-Phones and see your business news and/or offers, with pictures and a map to your location! You are in total control of your news & offers, as you can change them anytime you desire! Have a new special everyday of the week if you like! Announce new products, services, menu items, events, etc! It also provides links to Your Website, Facebook & Twitter pages, if you have them. It's like having your own mobile app without the expense of developing it or promoting it!

It's so very inexpensive compared to ALL other advertising choices: it's literally a no-brainer decision!

It takes only 5 minutes to set up, and you are live and ready-to-go, on the mobile app! Our regular one-time setup fee is \$120, but as a Chamber member, you get a \$50 discount! Total Startup with the *"Member-to-Member Bethlehem Chamber Discount"*, is only \$100 and only \$30 per year, thereafter.

**Additional Bundled Offer:** You must have new equipment to take the new credit cards with the micro-chips in them by October 1<sup>st</sup>, so let us analyze your merchant services statement versus our solution, with no obligation *and we'll reduce your new UBiz app set-up fee even further:* another \$25 discount on the set-up fee!

**Total start-up cost becomes  
only \$75 for a whole year of advertising,**

**and**  
**only \$30 per year thereafter!**

**Remember: we have no start-up fees for merchant services, as well as no  
contracts or early termination fees. We can replace your legacy  
equipment for free and that will allow you to be compliant and to take the  
new smart credit cards with the computer chips in them & you will also be  
able to take Apple Pay & Google Wallet.**

**Your MasterCard/VISA/Discover/American Express rates are based on  
wholesale and you have no legal or financial obligation to stay with us.  
We do what we say regarding equipment and savings, or boot us! *Try us:  
because you have nothing to lose!***
