GOOD FRIDAY BRUNCH

What really happened that first Easter? BETHLEHEM AREA YMCA

What really happened that first Easter? The evidence for Christianity is powerful. Dr. Perry Sherman, Ph.D., M.S., M.A., B.S., is a legally and historically trained scientist, engineer, psychologist and Christian Apologist. He has devoted thirty years to examining the question of the existence of God. You are going to get excited when you learn how wide and deep the evidence really is.

If you have any questions please contact Shawn St. James, 439-4394. Please sign up at the front desk. **Childcare will be available during the brunch from 10:00am to 12:00noon.**
