*Loudermilk Is Among the Best of the Next Generation of
Freedom Fighters*

Washington, DC- FreedomWorks PAC today endorsed Rep. Barry Loudermilk (R-Ga.) for re-election in Georgia's Eleventh Congressional District. Loudermilk, a member of the House Freedom Caucus, achieved a 90 percent score on FreedomWorks' Congressional Scorecard in his first year in office, demonstrating a commitment to limited government and economic freedom.

"With every passing election cycle, we've seen the freedom movement in Congress expand, and Barry Loudermilk is among the best of the next generation of freedom fighters. Since his time as a state legislator in Georgia, Loudermilk has been a strong, principled conservative. He has continued to show a commitment to limited government and pro-growth policies in the House," said FreedomWorks PAC Chairman Adam Brandon. "We're proud to support Barry Loudermilk for re-election."
