IOWA CHAMBER OF COMMERCE EXECUTIVES
***Summary of Conference Host Requirements/Guidelines/Agreement -
One Day Conference 2017***

Iowa Chamber of Commerce Executives is comprised of nearly 100 local chambers of commerce and over 100 local chamber executives from throughout Iowa. The organization historically holds a One Day Conference. This conference has been hosted by communities from central part of state.

The One Day Conference in conjunction with our Annual Meeting is held the first Thursday in April. The Board and Executive Director of ICCE will work with the host if that particular day does not work. The host community and the ICCE staff will work together to schedule around other Iowa association conferences as well as neighboring states (because it becomes difficult for traditional sponsors).

A meeting room large enough to accommodate 70-90 people must be available to host the conference along with AV/microphone. We also need space for vendors/sponsors in or near the meeting room.

Registration fees in the past have been \$45 - \$55 per participant. This includes a light breakfast (donuts and coffee). Which many hosts get a sponsor for or the host pays for the breakfast. This is something worked out with ICCE Staff the host. The fee has included basic costs such as lunch, overhead such as printing, postage, name badges, room fees, and speaker fees/travel expenses.

The ICCE conference committee and host should solicit businesses and organizations for sponsorship. This may include in kind contributions to make the event a success. To meet budget we must have at least five sponsors. Most sponsors will require an electric outlet and internet for their booth space.

For each conference a committee is appointed, which typically consists of ICCE staff, the Board Treasurer and at least one host community staff member that will serve as the point of contact. All budgets need to be approved by ICCE staff.

All cost and logistics must be approved by ICCE staff.

Attendance at the conference usually ranges between 60-90 individuals. Please mail all bids to ICCE, 9817 Green View Lane, Johnston, IA 50131 or scan and email the signed bid to lowachamberexecs@gmail.com. Bids for the 2017 One Day Conference are due by July 1, 2016 or before. A decision will be made August 1, 2016 and local communities will be notified that week.
