A note from our Executive Director/CEO...

Cedar Hill Chamber Community,

I sit here just before my farewell party and it's difficult to find the words to write.

My family and I came here in the fall of 1998 to open the Chick-fil-A because my mom felt it was where the Lord wanted us. I was working the drive thru at lunch when Sheri Borth asked me if I wanted to serve on the Chamber Board of Directors. Honestly, I had to ask her what exactly that meant. I began my service in 1999 and volunteered on events and committees and really began to love the "Chamber World." I remember answering one of those security questions, "What is your dream job?" My answer was Chamber, never thinking that I would leave a 13 year career with Chick-fil-A that I absolutely loved! Until.....Shelia Hood and Dr. Kevin Fegan got a hold of me and said I had to do this!

As my mom felt when we moved here, I also knew it was the Lord telling me it was where I was needed. I consider it an honor to have served the business community and citizens. The decision to leave after 7 1/2 years in this position, and over 18 years as an active part of this community, was not made lightly. I love the people of this organization and the community of Cedar Hill. I firmly believe that this next chapter in my life, as the previous ones, is authored by God and I can't wait to read it!

Sincerely,

Amanda Skinner, IOM

HWY. 67 Widening Meeting:

You may, or may not, have heard about the project of widening US 67 between I-20 and Belt Line Road in the near future. Texas Department of Transportation (TxDOT) will be in Cedar Hill at the Alan Sims Recreation Center, 310 E. Parkerville Rd., August 11th from 10am to noon to inform anyone who wants to know more about the project. If you have questions regarding this meeting, you may contact Robert Woodbury at 972-291-5126, extension 2812. There will be time for questions, so please bring your thoughts and join the discussion as TXDOT shares with the community.

Leadership plays a significant role in defining the culture of the Southwest Region, and this year we have partnered with professor, Dr. Larry Terry with UNT Dallas to come together to make opportunities for those individuals seeking to grow as leaders and serve their communities and position themselves in the area's to make change. The secondary goal of this 9 month Leadership Program is to build awareness about or local communities and encourage the willingness to serve the public area. That said, the idea is that each participant will "give back" with a community project that will impact our community non-profits.

Applications for the 2016-2017 class are now being accepted
Orientation Day will be on August 17, 2016
