Want to promote your business? The City of Cedar Hill Animal Shelter

Gala is coming up on Sep 19, 2015. Each year, City of Duncanville, DeSoto, and Cedar Hill get together and create a gift basket that can be auctioned at the event to benefit the Animal Shelter. Have something to put in the gift basket? Just one item, items are anything that are small enough to put inside the basket and have to do with Cedar Hill.

We have to have all of the items in no later than Friday, September 10, 2015. We need to know the value of the items so we can calculate the total cost of everything in the basket because this will be needed at the auction.

Government issues being reviewed by the Board that are good for business..... How will you vote?

Proposition 7: In a Nutshell

What is the purpose of Proposition 7? *The purpose of Prop 7 is to provide a new, stable source of funding for transportation in Texas, dedicated to the construction and maintenance of roads. Upon passage, Prop 7 will dedicate a portion of the general sales and use tax and the motor vehicle sales tax to the general highway fund.*

Will Prop 7 raise my taxes? *No. Voting yes on proposition 7 will NOT raise your taxes.*

Where does the money come from? *\$2.5 billion would be deposited into the state highway fund from state sales tax revenues above the first \$28 billion dollars that year.*

35% of the net revenue derived from the motor vehicle sales and rental tax above the first \$5 billion dollars each year would be deposited into the state highway fund.

What can the money be used for? Will it be used to fund toll roads? *Prop 7 cannot be used to pay for toll roads. The money deposited into the state highway fund can ONLY be used for:*

Construction, maintenance, and acquiring right of ways for public roads; or to repay the principal and interest on general obligation bonds issued by TXDOT

How much money will Prop 7 raise for the state highway fund? *The Legislative Budget Board estimates that \$2.5 billion would be deposited to the state highway fund in 2018 and 2019, and close to \$3 billion in 2020 if Prop 7 is approved by voters.*

We know we are supposed to think strategically, plan strategically, and even act strategically, but what does strategic really mean. The word strategic may be one of the most overused, least understood and irritating words in the business world.

Join us as we look at five questions and learn a visual planning tool that will raise Your Strategic Game to a new level.
